

# PRINCE OF WALES PRIMARY SCHOOL

**Newsletter**  
**2<sup>nd</sup> November 2018**

*Listening Excellence Attitude Respect Negotiate Enjoy Responsible Support*

Kate Humble called in on class 5H to answer a few questions about her. One of the questions we asked her was how nature made her feel and she told us that nature made her feel very happy and peaceful and that we were very lucky to have a school with such beautiful surroundings.

We also asked her how she got into presenting programmes on television, specialising in wildlife and science, and she said, "By accident." She started out as a runner at the BBC and eventually was asked to take a screen test. She was successful and now regularly appears on television programmes including: Animal Park, Autumn Watch and Back to the land. Kate Humble is currently President of Wetland Conservation Charity and was visiting the school after seeing the Prince of Wales Wetland.

Leila 5H

## Kate Humble school visit

Following the recent Prince of Wales Wetlands official opening, Kate Humble, BBC presenter and President of the The Wildfowl and Wetlands Trust – WWT - visited the site and our school. She spoke with Zahra, Anish and Beth, their parents as well as Mrs Redmore (who has been coordinating our schools' involvement with the WWT over the past years).

On our Monday Inset Day, staff received training by Lee Valley Education on using our school grounds and the new wetlands for outdoor learning.

Many thanks to the food stall holders at the PoW Cultural Evening who donated £157.58 to the school.

## ENFIELD LOCK

### Wetlands officially opened

THE PRINCE WALES WETLANDS have been officially opened. The new wildlife area within Prince of Wales Open Space will help prevent flooding of nearby homes, improve water quality, enhance biodiversity, and create an outdoor learning space for the community. One thousand trees

were planted there last winter. It's been created by Enfield Council in partnership with Wildfowl and Wetlands Trust and Thames Water. The council's cabinet member for environment, Councillor Guney Dogan, said: "The transformation has been absolutely amazing. Two years ago the open space was secluded, underused, and lacking in personality. Now it is a beautiful and accessible park which will also serve as an important area for education and learning. "I would especially like to recognise the help and support of the students at Prince of Wales Primary School and volunteers who have given their time to make this project come to life."

Our **Parents' Evening** this week was well attended and many parents and children were also able to sample the new Enfield Catering menu and sign up to the 'Be Sugar Smart' pledge. If you were unable to attend Parents' Evening, please make an arrangement to discuss your child's progress with their class teacher.

## Attendance this week

1K 95.35%  
1T 93.52%  
1Ti 99.04%

2A 94.23%  
2T 85.50%  
2Th 98.00%

3F 91.81%  
3R 97.92%  
3T 95.42%

4F 96.55%  
4G 95.83%  
4R 90.09%

5H 92.24%  
5Ha 99.07%  
5T 98.21%

6B 94.40%  
6L 97.77%  
6W 100.00%

Well done to **1Ti and 6W** for best attendance this week.

Overall attendance since September: **95.57%**

# Friday 16<sup>th</sup> November

We are raising money for 'Children in Need',  
through a **£1 donation** for a non-uniform  
day...please wear 'spots'.

Just remember no face paint or hair colouring!

*A Prince of Wales 'Charity Day'*

*Learning Together, Growing Together*

## Paediatric First Aid Course

All parents welcome who are able to read, write and speak English at some level. Come along and learn First aid for your child. You never know when and what you might need

Course starts: Monday 12<sup>th</sup> November 2018

Duration: 6 Weeks - 2 hour session 8:35 – 10:45

Venue: Community room

If you would like to attend please return the slip below ASAP to Mrs Rees places are limited so sign up quickly.

Your Name.....

Telephone number.....

You will need to provide ONE of the following:

National insurance no.

EU ID card

Passport

Residents Permit.

### Brilliant Book of the week

Mohammed from 2A shared a page from his maths book where he used bar modelling to find the difference between numbers. He found bar modelling a helpful method to calculate the answers.

### Poppy Sale

Poppies are for sale at our school. Pupils can bring in a donation and buy their poppies from a prefect during break or lunchtimes.

Our Value for this November is Tolerance and Respect

These pupils modelled the value this week:

Aras 1K, Zaynab 1Ti, Elif 1T, Adonis 2Th, Cianna 2A, Georgi 2T, Rico 3T, Wesley 3R, Samuel 3F, Arian 4R, Humaira 4G, Ha, Rei- 4F, Austin 5H, Elias 5T, Amaani 5Ha, Elvan 6B, Gullu 6W, Mei - Lien 6L

### Bikeability

This week, our Year 1 pupils have been improving their cycling skills using balance bikes.

### Why sign up to the ParentMail app ?

Parents, we are keen for you to sign up to the Parent Mail app as we hope to reduce significant costs that we incur when using text messaging.

So far this year we have sent 120,000+ TXT messages, costing over £5000. We could save this amount if all our parents register with ParentMail app.

We have already saved £160 in the couple of weeks we started to use this new system with just one quarter of parents using the app.

Currently

99% of families receive SMS

87% of families receive Emails

53% of families have a ParentMail account

25% of families are using the mobile app

Imagine how much we save if 100% of you to use mobile app and receive emails. These savings can be reinvested in other learning opportunities or resources for your children.

Mr. Jan Bless  
Prince Of Wales Primary School  
Salisbury Road  
Enfield  
Middlesex

15 October 2018  
REF: COD - 1033

Dear Mr. Jan Bless

### Congratulations your school is a top 3 county league table winner!

Discovery Education Coding schools and their pupils have shared, an amazing 600,000 apps in 2018 so far. What a fantastic achievement! To mark the end of our code week celebrations we wanted to celebrate this and shout about just how clever your pupils are. So, in no particular order, here are the top 3 schools in your area... and the best news of all is **your school is one of them!** If there are only one or two in your area that's because other schools aren't making and sharing many apps yet. Take a peek below:

#### LEAGUE TABLE: DISCOVERY EDUCATION CODING

Local Authority	School
Enfield	Chesterfield School
	Prince Of Wales Primary School
	St.George's Catholic Primary School

Each winning school has received a certificate (see enclosed) celebrating their achievement so please pass on our congratulations to your pupils. Don't forget to shout out about your pupils' success as a top county winner on social media and share a photo of your young coders with their school certificate on Twitter and Facebook.

And, if there are teachers in your school who want to join the Coding revolution, remember there are over 100 step-by-step lessons guides with introductory videos available. Discovery Education Coding is ready and waiting for you!

Should you have any queries about the coding league table please call 020 7870 4589, or for any technical questions about the service please contact us on 0800 6 527 527.

Kind Regards,

The Discovery Education Coding team  
www.discoveryeducation.co.uk/coding

Wow, we can be  
proud of this  
achievement!

## Congratulations your school is a coding league table winner
