UNIQUE WETLAND PROJECT FOR ENFIELD LOCK

A new wetland project at the Prince of Wales open space opened on 27 September, where the huge efforts and hard work of the community were recognised and applauded.

The Prince of Wales wetlands were created by Enfield Council with the help of project partners at the Wildfowl and Wetlands Trust, Thames Water via the Thames Water Community Investment Fund, volunteers, and with a contribution from the Greater London Authority's Greener City Fund.

The wetlands will help to prevent flooding of nearby homes, improve water quality and will enhance biodiversity and at the same time will provide a nature reserve and outdoor learning space for the whole community to use.

Enfield Council's Cabinet Member for Environment, Cllr Guney Dogan, who was a pupil of Prince of Wales

Primary, said: "The transformation here has been absolutely amazing. Two years ago the open space was secluded, underused and lacking in personality. Now it is a beautiful and accessible park which will not only enhance the area and help to bring the community together but will also serve as an important area for education and learning."

This open space would not work without the support and help of the community. If you would like to get involved, please email Loretta. Hoy@enfield.gov.uk so the wetlands can be enjoyed for many years to come.

SCHOOL MEALS HAVE NEVER BEEN SO GOOD!

Enfield Catering Services has launched its tasty new menu for school children featuring a range of fantastic new recipes.

Schools throughout Enfield have started baking fresh bread to go with new additions to the menu such as Mama's meatballs, Chicken Paprikash and Singapore Rice.

The menus are exhaustively tested by hungry youngsters to ensure the food looks and tastes great before the recipes make their way to more than 60 school kitchens across the borough. The new menu was officially launched at Prince of Wales School on 1 November.

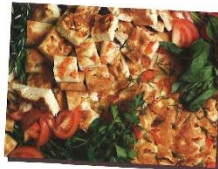

Pupils can also enjoy the unlimited salad bars on offer which are designed to encourage the youngsters to eat more fruit and vegetables.

Enfield Catering Service serves around 20,000 meals a day of a consistently high quality. The food is freshly cooked on site, using high quality and ethically-sourced ingredients, so that they can provide the best possible standards of nutrition.

Pupils in Reception, Year 1 and Year 2 are eligible for free school meals and children from families in receipt of certain benefits or on a low income are also eligible.

The service currently provides catering for 55 primary, six special and two secondary schools in the borough.

For more information about School Meals visit www.myschoolmeal.co.uk/enfield or email enfield.catering.services@enfield.gov.uk

To register for free school meals you should ask at your child's school or call the pupil benefits office on 020 8379 5367.

Year 6 Maths Café for Parents

Year 6 Parents have also attended Maths cafes this half-term. Our first café was on **Fractions in the Arithmetic Paper**, our second was on **Decimals and Percentages in the Arithmetic Paper** and our final café looked at the **Reasoning Paper**.

We looked at how we can use our maths knowledge to tackle different questions. It was really interesting to see the difference between the arithmetic and reasoning questions. Thank you so much to all the lovely parents that came. It was fun sharing maths methods and seeing how maths teaching has changed since we were young! Please remember the support you give at home makes a huge difference to your child's learning.

Many of you requested more sessions on Reasoning in Maths. Look out for more Maths Cafes in the New Year!
