

Summer 2019 Enrichment Programme – Years 3 and 4

Please number the activities for each day in order of preference: 1 being the most preferred option and the largest number the least preferred option. As soon as your child returns the choices, staff will mark their paper and this will inform us the order of returns. Activities will be allocated on a first come basis.

It is also essential that you read and understand the information at the bottom of this form, which clearly state the conditions under which the enrichment activities are undertaken. These are there to ensure your child as well as the staff get the most out of this initiative. Not meeting these conditions may jeopardise your child’s participation and your cooperation is an expectation. Please sign to agree and in order to have access to the enrichment programme.

If your child goes home at 2.30pm on any day, just write a 1 next to ‘Going home’ and leave the rest blank.

Undertaking an enrichment activity, means that pupils and parents full agree to these conditions:

1. Pupils’ attitudes and behaviour

It is an expectation that pupils follow adults’ instructions at all times, follow school rules and keep themselves and others safe. If a pupil’s behaviour is a concern, they will be reminded of the need to improve this. Failing this, a conversation will be held with their parent/carer. If the behaviour doesn’t change, the privilege to attend this (mostly free) after-school activity will be withdrawn.

2. Parents’/carers’ collection arrangements

Collection at 3:30pm must be on time. Persistent late collection will result in the child losing their place.

If a child has to be collected early, instead of going to enrichment, the school office must have been informed by 2:00pm so that arrangements can be made. Once pupils have gone to enrichment, the office will be unable to get your child, as staff will be too busy.

When collecting your child at 3:30pm, please be aware that support staff are not familiar with all the adults that collect your child. You must ensure that the school office has your up to date collection information.

Parents/carers must walk over to their child and not wave from a distance. Please be patient when waiting for your child to be handed over.

I agree to the conditions above. Signed: parent/carer name _____ Signed child’s name _____ Class _____
