

Nursery and Reception had a visit from P.C. Louise

20th May 2019

Early Years had a visit from P.C. Louise this Monday, to talk to us about her role as a police constable. P.C. Louise spoke about her constable number, protective uniform, and the things she carries with her and why she carries them.

P.C. Louise shared examples of how she helps people. The children asked her questions and learnt about how the police use dogs, helicopters, boats and police cars...to help them look after us and keep us all safe.

We look forward to welcoming back in June,

P.C. Louise for KSI and KS2 Assemblies...
