*Listening Excellence Attitude Respect Negotiate Enjoy Responsible Support*

Dear Parents, Carers and Friends

I can now confirm the new school day that was agreed with the NEU and staff and that was ratified yesterday by School Governors. I am delighted that the start and finishing times as well as the additional 10 minutes per day take into account local circumstances such as our pupils' needs, school curriculum and local train timetable. Whilst it will be disappointing for many in our school community that our current enrichment arrangement comes to an end, it is worth reflecting the incredibly rich (and free) programme that would normally be experienced across about 5 years. However, be reassured that we will continue to offer great lunch time and after school activities, taking into account many of the exciting enrichment our pupils enjoyed this year.

*Mr J Bless, Headteacher*

## Annual Family Picnic – Tuesday 2<sup>nd</sup> July

Weather forecast – Good (no rain and not too hot)

Anticipation by School Community – High (of course, we look forward to this event)

Pupil's anticipation – Excited ("I cannot wait to compete with my team to get as many points as possible. Will we win this year?")

Families who have already worked out what to bring, what to sit on, what to wear – Wow! You are very organised!

**For times and organisation – see page 8**

## Bikeability

Over the past two weeks, Years 2 and 6 have been taking part in cycling training run by Cycle Confident. Three courses were delivered to our children; Learn to Ride, Level 1 and Level 2. By the end of the Learn to Ride course 90% of the children could ride without stabilisers. The level 1 course (for Years 2 and 6) developed pupils' cycling handling skills in traffic-free environments; prepares them for cycling training on the road. The Year 6 level 2 course was an introduction in to riding on local roads; cycling on single lane roads and using junctions. All courses were thoroughly enjoyed by all.

Holiday catch-up or refresher courses are available for children living in our borough - look on the following website to find a suitable course for your child.

## LOCK DOWN

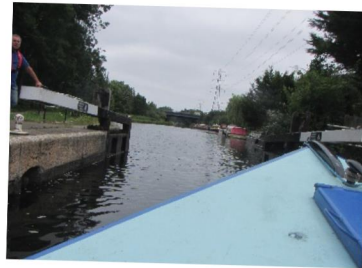

Last week the whole school participated in our very first “lockdown” drill. The purpose of a lockdown is to ensure the safety and security of everyone on site in the event of an external threat – this could be anything from smoke drifting across from a nearby fire or a dog in the playground, to the worst-case scenario of an intruder gaining access to our school site. Whilst the chance of any of these eventualities occurring is incredibly small, and the school has stringent security measures already in place, it is of the utmost importance that we have a well-rehearsed plan should any of them happen, in the same way we routinely practice what we would do should there be a fire.

Prior to the drill all classes discussed why a lockdown might take place, at a level appropriate for each age group and stage and children were encouraged to ask questions. I am pleased to report that the drill went very well, with the majority of children displaying exemplary behaviour and treating the drill with the seriousness that they would a real lockdown. A lockdown drill will now be a regular feature of school life each term. Please feel free to speak to a member of your child's class team if you would like ideas on how to speak with your children further on this topic at home.

## Outdoor Learning: Our adopted Canal

4R continued our work with the Canal and River Trust this week. We have adopted a section of the canal, so we went and litter picked and painted the railings of a disused bridge to make the area more inviting. Next time we visit we will start planting a variety of wild flowers. We also had a trip through one of the locks to help us understand how boats move along the canal.

## Gratitude

Children across the school were challenged to make a poster that showed our June value.

# Prince of Wales in Bloom

We have been very busy in the Prince of Wales' gardens over the last few months. The children have been out planting vegetables and our Gardening Club has been doing all kinds of projects across the school.

We have planted a selection of vegetables including: peas, carrots, courgettes, beetroot, broccoli and radishes and sweetcorn.

Gardening Club has been planting lots of lovely flowers to make the school look nice and bright. Look out for our pots and baskets around the site. We have also been thinking about the wildlife in our gardens and have created a mini wildlife area complete with bug hotel, mini pond, bird feeder and lots of plants to attract bees and other important pollinators.

## Lost Property

Dear Parents/Carers,

We have a lot of lost property in school but we are unable to locate the owners due to no name/name tags being in the items.

We have 630 children in school at its full capacity naming your child's clothes and personal items is essential.

**PE** is an essential part of your child's physical education, please ensure they have their PE Kit in school at all times.

## Sports and Family Picnic Day – Tuesday 2<sup>nd</sup> July

We are delighted to invite you to our Sports and Family Picnic Day on Tuesday 2<sup>nd</sup> July.

- Years 1 and 2 will start their sports day at 10:00am.

Following this will be a whole school family picnic which will be held on the field, starting at 12.00pm and ending at 1.00pm

- Years 3, 4, 5, and 6 will start their sports day at 1.30pm.

### Enrichment:

Enrichment will still go ahead for Years 1 & 2 as usual.  
Enrichment will NOT take place for Years 3, 4, 5 & 6 as pupils will still be participating in their sports events. **All KS2 pupils will finish at 3:30pm.**

### Lunch:

**Please note there will be no hot dinners on the day.**

Years 1 and 2 are entitled to a free packed lunch however, please return the slip below if your child requires one on this day.

If your child is in Years 3, 4, 5 and 6 and is entitled to a free school meal and requires one on this day also return the slip below.

**All slips must be returned to your child's class teacher no later than Wednesday 26<sup>th</sup> June.**

Please feel free to bring your own picnic (no alcohol, no glass) and picnic blankets to join your child on the field.

Yours sincerely

Mrs Vourloumis  
PE Subject Lead

### **Brilliant Book**

Ulkan talked about his outdoor Maths activity, involving properties of shapes and sorting.

He chose a lovely Book for his prize.

### **Word Millionaire**

Anish, 5H, showed his online 'book shelf' on Accelerated Reading. He has read 1,268,09 words so far this year. One of his favourite books was *Head Kid*.

### **Times Tables Champions**

Kayden, Wesley and Ledion in Year 3 all achieved their first Times Tables Badge. Varun and Nihal, also in Year 3 moved on to their second Badge. They serve as outstanding role models for Year 4 pupils who have yet to get their badges and certainly those in Year 5 and 6 who have to learn their tables.

Children in KS2 were able to give tips for when to practice tables:

"Before going to bed."  
"Whilst brushing your teeth."  
"When helping clear the table after dinner."

When is a good time for you?
