Listening Excellence Attitude Respect Negotiate Enjoy Responsible Support

Dear Parents,

Our value this month is attitude and cooperation and we have seen this every day this week. Fifteen Cafés have been open to parents and well attended every day. It was such a joy to see parents reading with their children and enjoying books together.

Mr Alan Taylor was a teacher who every day demonstrated an optimistic and positive attitude towards his job and the childrens' behaviour and learning. He was a role model to everyone on how to co-operate at all levels and may well have been influenced by the words of Henry Ford that were shared in the assembly on Monday

Coming together is a beginning

Staying together is progress

And working together is success

The children showed their appreciation of Mr Taylor during a special assembly on Thursday afternoon and after school parents and ex pupils were able to reminisce over times at our school. In the evening former and present staff and friends enjoyed a wonderful evening together. Happy times together were shared and we thanked him for the positive contribution he has made to the lives of hundreds of children and staff alike. We wish him and his family well in the future.

Our Value for this September is **Attitude & Co-operation**. These pupils modelled the value this week:

Noah 1To, Lynzie 1K, Amelia H 1T, Roman 2A, Lexi 2H, Navaeh 2T,

Prince of Wales in Bloom

Over the summer the seeds the children planted have continued to grow into great big plants, and we now have lots of lovely fruit and veg to be harvested and cooked. Even though summer is coming to an end we still have plenty of colour around the gardens and many things are continuing to grow.

Children from across the school have been coming to harvest the produce. They are going to make soup and fruit crumble.

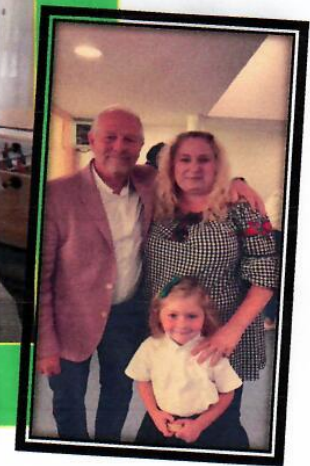

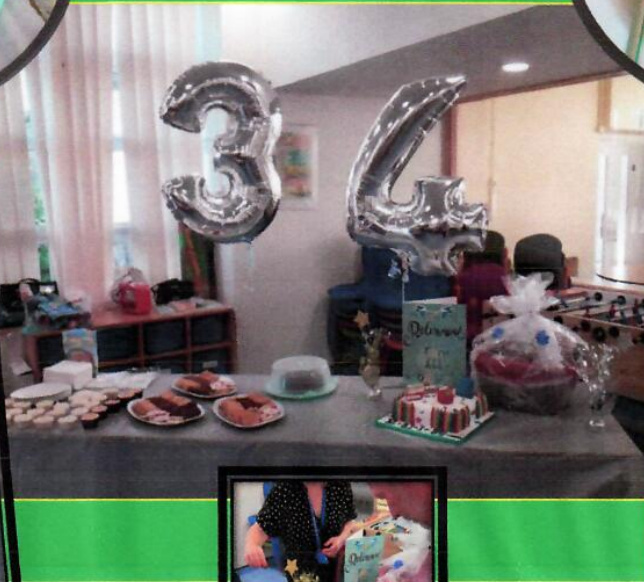

This year we have once again been awarded the Gold award in the Enfield in Bloom competition for the Best School Grounds with Environmental and Educational Aspect. The children's hard work has paid off and hopefully this is something we can continue to achieve for years to come.

Farewell Mr Taylor

Friends would like to say a big Thank You to all the parents that contributed to the collection and made it extra special.

Also to Cassie Shoffern for helping us yesterday & Kelly Stewart for making a wonderful cake.

Year 3 Café

Today **Year 3** had their parent cafes. The focus of the café was getting to know the parents and introducing reading strategies that could be used at home.

The children and adults were given several tips including: asking questions, prediction techniques and using pictures to visualise and infer information.

We thank all the adults who came and look forward to seeing you at the Ocean Maths cafes next half term!

Mariane - it was fun to have my parent there

Gabrielle - we got to play and answer questions as well

Jacob - we got to draw aliens eating burgers and gigantic pizza

Tyi'Rell - I liked it because we got to play games and read

Spencer - I liked it because we could do lots of activities

Iqra - We got to draw and we saw our parents which made feel happy

Ajeev - I liked the café because we had lots of things to do and lots of activities to do with reading

The children in 3G enjoyed having their parents in. They discussed new words, answered questions and predicted what will happen next in the story. The children really enjoyed drawing the treasure from the story.

Year 1 Café

Year 1 had their Reading Café at the start of this week. The children enjoyed applying different strategies to support their understanding of texts: predicting what may happen next; summarising events and describing the features of a character. The teachers modelled how they read stories to young children and shared types of questions to support their comprehension when reading. The year 1 children had a lovely time bonding with their adults over a range of stories in the classroom.

Year 5 Café

On Thursday the year 5 classes welcomed our families in to Prince of Wales for a curriculum and reading café. Over 30 families enjoyed meeting their child's new teacher and finding out what they will be learning about this year.

The café then focussed on reading where we discussed the importance of reading with your child and the types of questions that you can ask them. It was a fun and engaging session and we hope to see such great support in future cafes.

Year 4 Café

On Tuesday the 17th of September, Year 4 parents/carers and children enjoyed the first café of the year. It was lovely to see so many people participating in our reading activities and showing a love for reading. We explored the story of FAR^{THER} by Grahame Baker-Smith which will be used as a core text later in the term. We hope the reading bookmarks will help support listening your children reading. Thank you for your enthusiasm and we look forward to seeing you next time

To Prince of Wales Parents old & new,

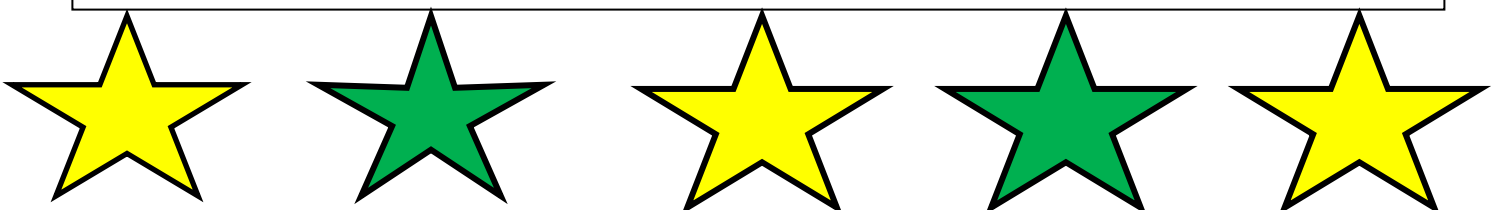

Welcome back to the new school year, we would like to introduce ourselves. We are the [Friends of Princes of Wales](#); throughout the school year we organise events for your children to have fun & help the school to raise money for things they might need. Last year we organised the Christmas fair with a special visit from Santa, year 6 leaver party and the summer fun day.

[We are now looking for helpers to join our team](#)

If you would be interested in joining us or just helping at the events on the day, please contact us through.

Dear Parents/Carers,

I am writing to let you know about Prince of Wales Primary's work with Place2Be, a national charity supporting schools to improve the confidence and wellbeing of children and young people.

Place2Be provides emotional and therapeutic support to pupils, families and staff in more than 250 schools nationwide.

It gives pupils a space to express themselves through talking and creative work, and to think about any worries they might have. Place2Be also provides support for parents and staff too.

Place2Talk

One of the most popular aspects of this service is called 'Place2Talk'. It's open to all pupils, and they can make an appointment to spend 15 minutes with a trained counsellor, either by themselves or with a friend. On average, about a third of pupils in Place2Be's schools take advantage of this service every year. Pupils often talk about friendships or any worries they may have.

There is a separate sheet available at the school reception and via school's website for more information on how Place2Be handle information and how it is used in key coded form to evaluate Place2Be's service and improve our work.

Parental Agreement for Accessing Place2Talk

Unless we hear otherwise from you, the school and Place2Be will assume that your child has parent/carers' permission to come to Place2Talk.

If you would like to find out more, or would prefer that your child does not use this service, please contact Jonathan Emeruwa (Place2Be School Project Manager) on 01992 762840 who will be very happy to answer any questions.
