### Rainbow Café

On Tuesday, Rainbow held a Parent Café where we talked about being “detectives” when we read and looked for clues in the words and pictures to tell us what is happening when we are reading. Our ‘Where’s Wally?’ activity was fun and gave us all lots to talk about, such as naming what we could see and talking about what was happening in the pictures. We then made toy magnifying glasses so we can carry on being “detectives” at home. We also spoke about using the magnifying glasses to look at just one part of a picture and discuss how characters might be feeling and why or to tell a story about what’s happening in that part of the picture. Thank you to everyone who came to the Café and made it such a success.

As part of the Poppy Appeal in November 2019, we will be making a whole school installation on the school grounds of a poppy created with painted pebbles. This will be a whole school project from Nursery to Year 6. We would like each child to find a pebble (about the size of an egg) and bring it to school this half term.
