SCHOOL CLOSURE due to General Election 12th December 2019

Our school will be used as a polling station and we close for elections where large numbers of voters are expected.

Mr Bless has been attending a Headteacher Conference for two days this week and I can remember once been told that if a Headteacher knew everything that was going on in a school not a lot was! I hope the newsletter this week gives you, and Mr Bless, a flavour of some of the interesting learning experiences the children have been engaged in this week and some of the future events at our school!

The most important news for you will always be your child's attitude to school and the progress they are making. It is always a pleasure to meet with parents to share positive comments about their learning, to discuss ways forward and to strengthen the partnership between home and school. Your children are pleased too when you come into school and are keen to show you their books, where they sit and share some of their work. If you were unable to meet the teacher please do make an appointment as it is only with your support that your child can make the best possible progress.

Brilliant Book

Angelina in Class 3R shared her work about Stone Age. She chose a notebook and crayons.

Eli in 1To was proud to show Number work and chose crafting material as present

OCEAN MATHS GAMES PACKS

If you have lost your child's games pack the office will be selling complete packs for £2.00. Please have the exact money. Alternatively, please visit the maths section on our school website where you can print off individual items.

The Curious Mathematicians' Club

If your child is in year 6 and you are considering a maths tutor please read the flyer attached. The next club begins this Thursday and will focus on Fractions. I will be teaching the programme. For further information or to book your child a place please email me on Curiousmaths4@gmail.com

4F'S thoughts about Freedom - Our Value for this month

Freedom is when you are trapped and someone lets you go - Keianna

Freedom is when you have a job and then you have time off work - Destiny

Freedom is letting the chickens out

Freedom is when you escape stuff - Angel

Freedom is the ability to go where you want and to do what you want or at least being allowed to make choices

Macbeth at Millfield Theatre

Year 6 saw an amazing production of Macbeth at Millfield Theatre on Wednesday which followed an October workshop in which all the children had participated. The whole play was brought alive and even involved Shane and Zara as actors on the stage. This will now be followed up with a piece of extended writing by the children.

Diwali Assembly

Diwali is a festival where families get together-
Jesal 4H

Diwali is a festival of lights and reminds us that
good triumphs over evil-Anish 6T

I celebrated Diwali by going to the temple and
exchanging gifts-Dimple 6T

I celebrate Diwali by putting candles around the
house and start the day clean so we can live
happily-Anshika 6B

800,000,000 people celebrate Diwali in various
ways-Zahra 6T

Headteacher Awards

Year 6 go to the cinema and the cinema comes to Year 4

The Headteacher Award is a trip to the cinema this term-well done to all those children who achieved the award.

This morning Year 6 enjoyed the latest Johnny English film at Cineworld in Enfield. And the children's behaviour to and from the cinema on the bus was exemplary.

This afternoon the hall became the POW Cinema with The Greatest Showman film, popcorn and laughter.

Forest Schools

Over the last 6 weeks some pupils from years 3 and 4 have been learning outdoors in “Forest Schools”. We have been learning about being in a forest, how to make safe choices in a forest and lots of new skills. We even cooked Marsh Mallows on a fire. Look at the photographs and try to guess what we were learning about.

Year 5 visit Tower of London

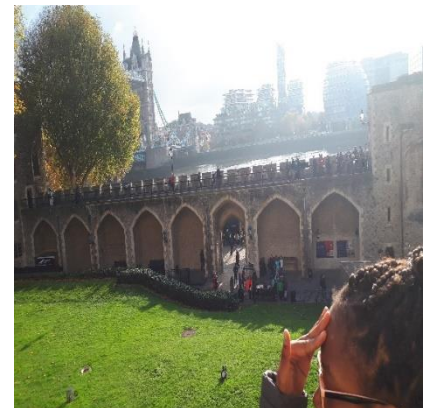

Year 5 visited the Tower of London on Tuesday 5th November. It was a very exciting day for all the children to visit such a world historic site, right here in London so close to the Tower Bridge.

Naomi 5K - On the trip I learnt that at the Battle of Hastings the Normans had three different types of men: men on foot (Calvary); men on horse (horseback); and bow men.

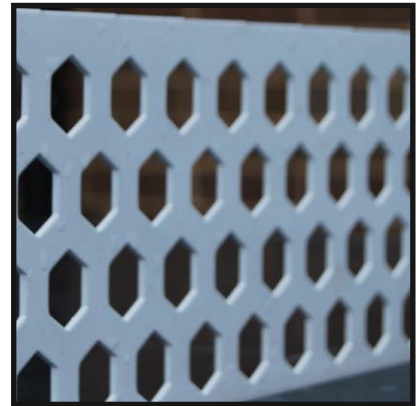

Beverly 5G - One thing that I learnt on this trip was that the Crown Jewels had over 23,000 jewels on it.

Tuana - 5H - I liked it when we visited the 'Bloody Tower' as well as the White Tower. There was so much to see and learn.

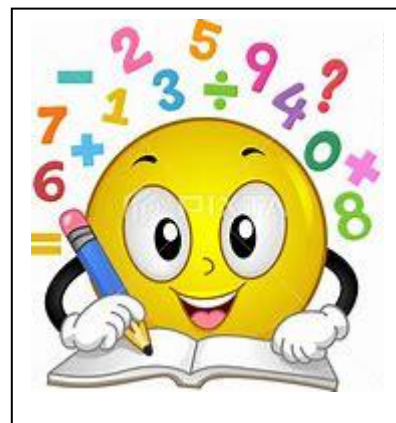

How well do you know your school?

Jon says, "Where can you find these objects and what are they?"

Maths Cafés at Prince of Wales Primary School

Dear Parents,
Please have a look at the maths. cafés below, starting next Tuesday.
Everyone is welcome.

Year 6 Sats Papers

We'll be looking at tricky questions, common errors children make and how we teach arithmetic at school.

The reasoning café will look at some reasoning questions in more detail, what reasoning skills are and how we help children approach these types of questions.

Tricky Times tables

The Times tables café will be useful for year 4, 5 and 6 parents. Children from year 4 are expected to know all of their times tables.

Please come along, this session will be fun and will give you top tips for helping at home. I promise I won't be giving you a multiplication square and telling you to memorize your times tables!

Any support you give at home will help make a difference!

Parent and Carer Online Toolkit (Childnet)

The new non-statutory guidance published in the summer, [Teaching Online Safety \(2019, DfE\)](#), recommends that we promote to parents/carers the agreed principles of online safety'. We do that through regular newsletter articles and our annual eSafety Workshops for parents/carers.

Childnet have updated their parent and carer toolkit that will help parents have conversations about online safety. Their booklet 'Let's talk about life online' includes ten key messages that should be shared with children:

1. "You can always come to me if you need help."
2. "What would you do if this happened...?"
3. "Remember that not everyone is who they say they are online."
4. "Keep your personal information safe, and other people's too."
5. "Be respectful to others online."
6. "Think before you post."
7. "Remember to ask if it's okay."
8. "Remember not everything is true online."
9. "The things other people post online might not always show what their life is really like."
10. "Recognise how going online makes you feel and take a break when you need to."

The Parent and Carer Toolkit can be found here: <https://www.childnet.com/parents-and-carers/parent-and-carer-toolkit>

Managing Children's Behaviour

This course will explore what we are trying to do when insisting that children/young people “behave themselves”.

We will look also at the thinking and experiences that makes up the background for the ways we manage children's behaviour.

By using this approach we can explore practical, every day ways to help children face the world in a loving partnership with their parents.

Yr. 5 on Thursday 14th November – 12:20 – 12:45

Yr. 6 Friday 15th November – 12:20 – 12:45

Bring everything you need with you.

Places in the final are limited

When: Thursday 7th Nov – 21st Nov 2019

Where: Capel Manor Primary School

How long: 3 sessions – every Thursday morning

Time: 09.15am - 11.45am

Cost: if you receive a certain benefit you may be entitled to a **free** course.
