Listening Excellence Attitude Respect Negotiate Enjoy Responsible Support

Dear Parents, Governors and Friends,

It was a shock to our neighbourhood that in the early hours of Thursday a burst water main had flooded Ordnance Road and Salisbury Road. Following advice from the Fire Brigade, Thames Water and LA the school was closed. You can see from these photos that this was a real emergency. Our thoughts are with the residents whose properties were affected and we hope that all damage will be rectified.

Thank you for your understanding and also for checking our communications with you. Out of 620 pupils, just 20 had to be turned away. Once the burst pipe was fixed, water levels dropped and the fire brigade was able to drain flooded homes. Afterwards a clean-up started as many bins were overturned and litter was strewn everywhere. Some fish from local ponds were also rescued – one in a Wellington boot!

Access to Ordnance Road is limited and I ask that you continue to refrain from driving your child to school if you are local as you add unnecessary strain to what will be significant traffic pressure in the next week whilst the area around the burst pipe is put right.
