January 2020

Dear Parent/Carers,

I am writing to let you know that from September 2020, as part of the Personal, Social and Health Education (PSHE) programme, the children in Year 1 to 6 will be learning about relationships and health education. The Department for Education (DfE) has published new statutory guidance for Relationships Education, Relationship and Sex Education (RSE) and Health Education.

As a school, we are always keen to engage parents/carers. We would welcome your comments and would like to answer any questions that you may have. To prepare for the next Parent Forum **please could you answer the short survey below, and return to your child's teacher by Thursday 30th January.** Your feedback will help to ensure that the Parent Forum is informative and helpful regarding the new statutory guidance.

<p style="text-align: center;"><u>Parent/Carer Survey</u></p>	<p>Please answer 1 - 5 1 = not at all 5 = strongly agree</p>
1. I understand what the new Relationship & Health Curriculum will cover.	
2. I would like to know more about what Prince of Wales will be teaching under the new Relationship & Health Curriculum at each key stage.	
3. I would like to attend the Parent Forum on Wednesday 12 th February at 9am to learn about the new statutory guidance.	
4. I am pleased that my child will be learning about different aspects of relationships, including family structures, friendships, bullying, teamwork and growing up.	
5. I appreciate the benefit of children being taught about relationships, and acknowledge the link to safeguarding.	
<p>Please make a note of any questions that you would like answered here.</p> <p style="text-align: right;">Thank you.</p>	

Yours sincerely,
 Mrs Stylli.
