Listening Excellence Attitude Respect Negotiate Enjoy Responsible Support

The contributions to Sport Relief are much appreciated – so far we have counted £322. The pupils and staff in these photos wore kits from the sports clubs they attend. Can you identify the sports they participate in?

Emircan 1To has worked hard on his maths skills. Here he shares his addition skills to 20. He is learning to use a 100 square to support him. Well done.

Brilliant Book

Beth 4T was able to compare the sizes of mountains in this maths work. She calculated how much taller Mount Everest was than Ben Nevis and Mount Kilimanjaro combined. Pupils in the Year 3 and 4 achievement assembly knew in which countries these three mountains are located. Do you?

Zahra 6T is studying Antarctica and finding out about the explorer Shackleton through her class' Power of Reading book, Ice Trap. She will use this information for a piece of independent writing that will include the use of expanded noun phrases and how to empathise with the characters of her story.

Our Value for March is **Mutual Respect** through **SPORTSMANSHIP**

These pupils modelled the value this week: Idris 1K, Sydnie 1T, Jolette 1To, David 2A, Ayse 2H, Nevaeh-La'shay 2T, Mariane 3F, Milena 3G, Asad 3R, Elisha 4F, Harun 4H, Rachel 4T, Kimora-Lee 5G, Dilem 5H, Faheem 5K, Fenton 6B, Archie 6L, Kavalli 6T

Well done to **2T and 6L** for best attendance this week.

Overall attendance since September: **93.78%**

School Project – Our Local Area – Year 3

On Monday 9th March, Year 3 pupils continued their Canal Project they had started with Emma Ghafur and Clare Moloney. The workshop involved sketching, taking photos and shooting videos about what the canal is like now and what we would like to see to improve the area. Emma will use these in future project work.

The project is important to the school because it meets our aims of preparing our pupils for their role as caring and engaged citizens in Britain through developing responsibility for an area in their local community.

Ash class have been planting beans after being inspired by our story *Jack and the Beanstalk*. Unfortunately, they are not magic so won't be growing overnight!

All pupils took part in a skipping workshop with Mr Lockhorn throughout the week. For our **Sports Relief** event children could then choose to skip the daily mile.

Advice on the coronavirus for places of education

How serious is the coronavirus?

- it can cause flu-like symptoms, including fever, cough & difficulty breathing
- the infection is not serious for most people, including children
- there is currently no vaccine
- most people get better with enough rest, water to drink and medicine for pain

How likely are you to catch the virus?

- you can only catch it if you have been close to a person who has the virus
- the chance of being in contact with the virus is currently low in the UK
- if you have travelled to areas where many people are infected, your chance of catching the virus is higher, i.e. China and any affected areas

If there is an emergency, call 999 immediately

How can you stop coronaviruses spreading?

If you need to cough or sneeze

Catch it
with a tissue

Bin it

Kill it
by washing
your hands with
soap & water or
hand sanitiser

You should wash hands with soap & water or hand sanitiser

**After breaks
& sport
activities**

**Before
cooking
& eating**

**SCHOOL
ETC.**
On arrival at
any childcare
or educational
setting

**After using
the toilet**

**Before
leaving
home**

Try not to touch your eyes, nose, and mouth with unwashed hands

Do not share items that come into contact with your mouth such as cups & bottles

If unwell do not share items such as bedding, dishes, pencils & towels

Stop germs spreading with our e-Bug resources on hand and respiratory hygiene lesson plans for KS1, 2 and 3: campaignresources.phe.gov.uk/schools

What should you do if you feel unwell?

Keep away from others and stay at home to stop the infection spreading. Avoid public transport if you think you have symptoms of coronavirus. If you become unwell at a place of education, tell a member of staff and let them know if you have travelled to any other countries in the last 14 days.

If your staff member or parent thinks you have symptoms of coronavirus, they should call **NHS 111** for advice. Follow the UK Government advice for childcare or educational settings gov.uk/government/publications/guidance-to-educational-settings-about-covid-19.

Parents can visit **NHS.UK** to find out more information. Teachers and support staff should follow the UK Government advice.

Staff, students and pupils who have returned from Iran, specific lockdown areas in northern Italy, special care zones in South Korea or Hubei province China (returned in the past 14 days) should self isolate, and NOT attend education or work for 14 days.

See **NHS.UK** for advice on coronavirus.

Stay at home if you have coronavirus symptoms

Stay at home for 7 days if you have either:

- **a high temperature**
- **a new, continuous cough**

Do not go to a GP surgery, pharmacy or hospital.

You do not need to contact 111 to tell them you're staying at home.

Read our [advice about staying at home](#).

Urgent advice: Use the NHS 111 online coronavirus service if:

- you feel you cannot cope with your symptoms at home
- your condition gets worse
- your symptoms do not get better after 7 days

Click here to [Use the 111 coronavirus service](#)

Only call 111 if you cannot get help online.

Outdoor Learning

On Tuesday and Wednesday this week Zack 4H, Yasmine 2T, Ella Mae 1T, Bella 1K, Maisy 1T and their mums joined with our gardening team, premises managers, and Andy to improve the outdoor learning opportunities we offer our pupils. We worked incredibly hard and had fun. We found worms and mini-beasts, lay wildflower turf, dug in sleepers, lay down a new liner and gravel and some weeding. Many thanks to everyone who came together to help.

Mrs Redmore

Last but not least!

Yesterday, it was our football match against Freezywater. Before we played them we watched their tactics in their first match. We noticed how far and where the goalie kicked the ball. We noticed their formation and whether they stuck to it. We identified their most skilled player. Our team of Year 4, 5 and 6 children worked hard together and we won with 4-0 with goals from Rico, Jesse and myself – 2.
