# EXAMPLE VISITOR GUIDE

## Welcome to Happy Town!

### Shopping & attractions

Take a stroll down Happy Town High Street, where you will find a wide range of shops. The town Museum is also worth a visit, if you are interested in fossils.

### Residents

All sorts of people are welcome in Happy Town and you will find all the residents warm and friendly.

Different animals live happily together and are always glad to accept each other's differences.

### Employment

The main employment in Happy Town is in the service industry, with many people working in shops. In addition, the constant building work generates many construction jobs.

### Transport

Happy Town is a small place, and most people travel around on foot. For visits to the nearby island, you can take a boat ride.

### Environment

Although there are often building works going on in Happy Town, there remain plenty of green and open spaces. Nearby, the inviting ocean provides a change from the busy town life.
