

Year Group: 5

Date: Monday 23.3.2020

Subject	Lesson focus/objective (I can....)	Activity and/or instructions
DGR	I can make predictions on a new text.	Read the new text on Bloomin' Rainforests. Then: <ul style="list-style-type: none">- Make a prediction what will happen in the book- Read the text and write down new words- Complete a word organiser for the word 'evaporate'
Mathematics (including times tables)	I can identify items in my home that are used to measure.	We measure lots of things at home. This could be time, weight, distance and capacity. Now you are going to explore your home. Draw a picture of each measuring item in your home book. Then annotate to say what the unit of measure is. E.g. is it in cm, m
Science	I can describe the Life Cycle of an Amphibian	Read the text on an Amphibian Life Cycle. Answer the questions <ul style="list-style-type: none">- rehearse the life cycle to either yourself/other family member- complete the life cycle template (blank one) or- complete the one with the pictures to cut out.
Other: ICT	Remember to log onto your email access – practise sending an email to your teacher. Let your teacher know your score on Accelerated Reading.	

Reading:

Please read daily and complete your reading record. You can access Accelerated Reader clicking here and putting in your user name and password:

<https://ukhosted2.renlearn.co.uk/1894742/>

You may find that some of your books at home are also on Accelerated Reader, so re-read them and give the quiz a go.
