

Year Group: 5

Date: Thursday 30.4.2020

Subject	Lesson focus/objective (I can....)	Activity and/or instructions
DGR	Inference	<ul style="list-style-type: none"><li>- It's Thursday, so...time for your regular comprehension style questions.</li><li>- The majority of the questions are inference ones because this is the skill we are practicing this week.</li><li>- So, read through Monday's text again and if there are still any words you don't know ask your teacher/parent.</li></ul>
Mathematics	I can add and subtract fractions with denominators that are multiples of the same number.	<ul style="list-style-type: none"><li>- Following from yesterday's work, we are going to continue to add and subtract fractions.</li><li>- Today you will learn how to convert fractions so they have the same denominator.</li><li>- Practice your times tables before you start your work- it will help.</li><li>- Remember the most important rule for today: whatever you do to the top you do the same to the bottom of the fraction!</li></ul>

Writing/RE	I know who influenced the Alevi values.	<ul style="list-style-type: none"> <li>- After this lesson you will know a bit more about who influenced the Alevi values.</li> <li>- People that influence us are those that we look up to and value.</li> <li>- Yesterday you wrote about important people in your life.</li> <li>- Today, we have prepared some questions for you to answer. They will get you thinking about good and bad roles model and why they are important.</li> </ul>
TT Rockstars	Remember to log in and practice your times tables. If you are struggling with logging in contact your teacher straight away. Have fun!	

Reading:

Please read daily and complete your reading record.

You can access Accelerated Reader clicking here and putting in your user name and password:

<https://ukhosted2.renlearn.co.uk/1894742/>

You may find that some of your books at home are also on Accelerated Reader, so re-read them and give the quiz a go.
