Mathematics	I can make marks to represent numbers	Can you pour flour/salt in to a tray or on a worktop/table. Explore writing numbers 0 to 5. Then try 6 to 10! Remember to help tidy up. If you want to get really messy, squeeze some tomato ketchup in to a plate, spread it around and write numbers in it or make some runny icing sugar and pour that in to a plate.
Reading	I can listen to stories with increasing attention and recall.	Read the story "Jasper's beanstalk" with your grown up. Who is Jasper? What did he try and grow? What did he do that can help his bean grown? What shouldn't he have done?
WEEKLY TASK UTW EAD PD	Use junk modelling to design people/objects or buildings	What or who do you think Jasper saw when he got to the top of the beanstalk? Create what you think he saw using different junk modelling objects from your home. Cosmic Yoga – he might see a dragon!
