Mathematics (including times tables)	I can solve problems related to measuring length.	Look at the power point called Measuring challenges – length . Have a go at some of the challenges. Draw or write about what you do. Now write your own measuring challenge for me to try!
Writing	I can write for different purposes – an Easter card.	Design your own Easter card in your home learning book. There are some ideas on page 2 for what you could draw. Write what you would put inside the card, including who it's to, a message for that person and who it's from.
Other	Easter bonnets	Every year in school we have an Easter bonnet parade. This year, we'll be doing it from home! Our theme is 'recycling' so you can use items from around your home to make your bonnet. Design and try to make an Easter bonnet using recycled materials

and send in a photo of what you have made. Ideas on page 3.

Reading:

Please read daily and complete your reading record. You can access Accelerated Reader clicking here and putting in your user name and password:
