

Year Group: 5

Date: Thursday 23.4.2020

Subject	Lesson focus/objective (I can....)	Activity and/or instructions
DGR	I can answer retrieval questions.	Read the text on Stephen Hawking again that you read on Monday. Then carefully read through the text and answer the questions. You will be getting the answers to reflect upon on Friday.
Mathematics (including times tables)	I can add decimal numbers.	<ul style="list-style-type: none"><li>- Watch the lesson tutorial on the link and choose your challenge</li><li>- Hit <b>get the activity</b> button to access your task</li><li>- <b>Get the answers</b> to check your work</li></ul>
Science – Our focus this week	I can describe the relationship between gravity, area and air resistance.	<ul style="list-style-type: none"><li>- What do you know about parachutes? What will make it fall more slowly?</li><li>- Over the next 2 days we are going to be measuring and making our own parachutes.</li><li>- Write your thoughts around what we could test.</li></ul>
Fitness	Take this opportunity to take some exercise. You can do a Joe Wicks work out or take some exercise in your local park. Remember to keep a safe distance if you are exercising in public.	

Reading:

Please read daily and complete your reading record. You can access Accelerated Reader clicking [here](#) and putting in your user name and password:

<https://ukhosted2.renlearn.co.uk/1894742/> **Let your teacher know your score on Accelerated Reading each week.**

You may find that some of your books at home are also on Accelerated Reader, so re-read them and give the quiz a go.
