

# Thursday 2<sup>nd</sup> April – Maths

Today we are going to work on measurement. You only need to write the answers in your book – not the questions.

1. a) Write these lengths in order, shortest first:

600cm      20mm      1cm      5m      50cm

--	--	--	--	--

1cm, 20mm, 50cm, 5m, 600cm

2.

b) Tom is baking a cake. The recipe needs 500 grams of sugar. How many more grams does he need?

125g

--

 g

3. Compare durations of events.

Look at this CBeebies schedule

16:45	Rastamouse
17:00	Everything's Rosie
17:10	Sarah & Duck
17:20	Grandpa in My Pocket
17:30	Kate and Min-Min
17:55	Dipdap

a) Chloe wants to watch Grandpa in My Pocket and Kate and Min-Min. How long will she be watching the television?

25 mins

b) Steven gets home at 16:40. How long is it until Sarah & Duck starts?

30 mins

c) Emily watches a show that is 25 minutes long. Which show does she watch?
