

Year Group: 5

Date: Wednesday 22.4.2020

Subject	Lesson focus/objective (I can....)	Activity and/or instructions
DGR	Skill: Retrieval	Read through the text about Stephen Hawkins and answer the questions in your books.
Mathematics (including times tables)	I can add and subtract numbers mentally.	Look through the power point carefully. Pay attention to how place value is used to ease mental calculations. Follow the same pattern to complete the given sums in your books. Highlight or underline the digits that change because of exchange or regrouping when carrying your calculations.
Science – Our focus this week	Forces	Read through the statements on the cards. If you do not have access to printer draw a grid in your books with the heading True and False. Copy the statements in the column you think they should go into.
Value of the week – COURAGE	Write a paragraph about an example of ' courage ' that you or a member of your family experienced during the Easter Holidays. Please note that on Wednesday this week we will celebrate Stephen Lawrence Day!	

Reading:

Please read daily and complete your reading record. You can access Accelerated Reader clicking here and putting in your user name and password:

<https://ukhosted2.renlearn.co.uk/1894742/> **Let your teacher know your score on Accelerated Reading each week.**

You may find that some of your books at home are also on Accelerated Reader, so re-read them and give the quiz a go.
