Listening Excellence Attitude Respect Negotiate Enjoy Responsible Support

Dear Children, Parents/Carers, Governors and Friends,

This week has flown by and it seems busier working from home than when at school! Thank you parents entitled to FSM for their patience and Mrs Adams for her persistence. It seems this is finally working but please check your inbox or junk email for any message by noreply@edenred.co.uk as this relates to the FSM vouchers. For more information see also

<https://www.edenred.co.uk/reward-recipients/Free-School-Meal-Vouchers/>.

Please be aware of scam emails. You may have heard from Martin Lewis money saving programme that these can now be reported at <https://www.gov.uk/government/organisations/hm-revenue-customs/contact/reporting-fraudulent-emails>

Next Friday is Bank Holiday and therefore no Home Learning, but there is plenty to do – not least celebrating VE Day. The following two weeks leading to the half term will also be 4-day Home Learning as I will be giving class teachers time for many tasks they are doing from home. Don't worry though, they will give plenty of suggestions that children can do. For some it allows them to catch up with home learning they had not time to complete yet. We *will* be open for key workers and vulnerable children.

Mr J M Bless - Headteacher

Our Value for this week is Family & Community

These pupils have participated in Home Learning and modelled our value this week:

Child's Name	Class	Certificate achieved for:
Nathan	1K	Your amazing work together as a family and for all your hard work for the school community. Well done!
Ella-Mae	1T	Coping well with sudden changes and being understanding towards family decisions. Your family and teachers are very proud of you Ella-Mae!
Melanie	1To	Melanie, you are doing excellent home learning with your Mum and you wrote in an email "I am kind and caring to my family. I also help my Mum sometimes". Well done Melanie!
Lila	2A	Showing solidarity as a family by working together. Well done Lila! 😊
Emmanuel	2H	Being a helpful member of your family and helping with the gardening.
Daniella	2T	Taking part in some lovely family activities this week and embodying the meaning of community. Well done!
Larissa	3F	Whilst you may not be in school at the moment you are consistently showing courage by completing the online learning <u>everyday</u> without fail. Well done Larissa.
Samson	3G	You continue to work hard on your home learning and you show appreciation for your 3G family.
Tanya	3R	Tanya you have worked hard to produce excellent work at home, with the support of your family as well. You are such an asset to our 3R class community.
Samuel	4F	Taking the time to share his Home Learning and family activities every day. It is lovely to hear your news and see photographs too. Well done Samuel!
Harun	4H	Completing his work efficiently during lockdown.
Rachel	4T	Showing how valuable your family are to you. It is lovely to see you continually making connections between your family and your learning. You are always showing how supportive and caring you are. Keep it up!
Sophie	5G	Showing great courage in her learning especially this week in the home learning Maths tasks where she persevered. Well done!
Mia	5H	Showing the courage to deliver high quality home learning. Mia understands that home learning isn't always easy in these challenging times. She has built a strong working partnership with her mum to keep at it, even when times get tough! Well done!
Hasan	5K	Having the courage to come back to learning after a long break. Well done and keep going!
Demetri	6B	Consistently taking part in Home Learning and for having the courage to persevere even when faced with a challenge.
Bilal	6L	For spending quality time with his family during Ramadan and working together as a family on his home learning.
Perrez	6T	For keeping a sense of class community by sending poems to his class each week. Well done <u>Perrez</u> !

AM – 45.71%

PM – 34.54%

Ash – 30.34%

Birch – 56.80%

Oak – 51.03%

Attendance this week

1K 50.37%	2A 51.53%	3F 24.34%	4F 77.03%	5G 53.33%	6B 65.18%
1T 72.00%	2H 31.85%	3G 53.60%	4H 58.00%	5H 41.48%	6L 83.84%
1To 42.00%	2T 50.37%	3R 42.50%	4T 65.92%	5K 62.06%	6T 86.40%

Well done to **Birch, 1T and 6T** for best Home school attendance this week.

Overall attendance since the start of Home Schooling: **56.37%**

Spring 2020 End of Term Certificates

Class	Reading	Mathematics	Commitment to Learning (going above and beyond, making accelerated progress, etc.)	Quality of Work	Contribution to the school (adhering to school values)
1K	Alessia Roman	Selin Atilgan	Zeynep Demirci	Zachary Shoffren	Ege Demir
1T	Maisie Ofori-Addo	Natalie Cibej	Aayden Joshi	Omar Pires	Phoebe Stanford-Hollis
1To	Marija Kasparaviciute	Melanie Sherif	Cameron Mustafa	Wassim Allalou	Noah Laing
2A	Indi Best	Daniel Okpechi	Lois McMahon	Ryan Kessab	Christos Melanarkitis
2H	Rona Bytyqi	Emmanuel Okpechi	Alen Dabrowski	Zaynab Ahmed	Elif Ciftipala
2T	Angello De Sousa Pereira	Kevin Leite	Maija Putane	Lily-Eliza Cooper	Cagan Topal
3F	Jacob Danquah	Gabrielle Kiggundu	Erbilin Jata	Raj Dadja Ravikumar	Christine Okhira
3G	Ulkan Sefer	Milena Bakiewicz-Baykova	Adonis Noah	Lemuel Thompson	Humahira Bhuayan
3R	Rolexx Mokuba	Yavuz Caliskan	Tanya Gupta	Maria Goncalves Findley	Emmanuela Ikhuembor
4F	Aron Mbemba Ikima	Brian Leite	Adrian Forminski	Eylul Kaygili	Madison Stocker
4H	Wesley Njiru-Farnum	Annabel Ikhuembor	Rahil Noordally	Jesal Patel	Arios Ali
4T	Elyana Mungapen	Zahra Aghayeva	Kayden Christou	Kerem Yuksekkaya	Sinead Singh
5G	Layla Jalal	Meryem Uzun	Tyrese Esprit	Jenkins Kiggundu Kibwami	Riel Kensah
5H	Humaira Jaman	Ismail Ismail	Michael Harper	Jaleel Cole Kalokoh	Tuana Avesta Genc
5K	Raphael De Paula	Derin Hassan	Zipporah Acheampong	Taylor Barker	James Reuter
6B	Sadaq Said	Nicodemus Aynalem	Angelina Mahmutoglu	Nicola Piszczek	Ali Zafar
6L	Bilal Talpur	Ronald Akinwumi	Myra Boateng	Nikola Gzella	Shane Ruga
6T	Tayana-Le Atherley	Kavalli Shiell-Samuels	Maisha Ahmed	Leila Hassim	Pearl Ikhuembor
Rainbow	Lillie-Mae Hart	Ronnie Tootill	Yamin Jaman	Clayton Love	Kamil Dab

Thank you!

Captain Tom becomes Colonel Tom for his 100th birthday

Congratulations to Colonel Tom on his 100th birthday. He is an inspiration to us all.

Some of our keyworker children coloured in wooden rainbows donated by pinkfrogz

<https://enfield.loveyourdoorstep.co.uk/directory/>

A big thank you to Love Your Doorstep Community Group for their donation of bread for our foodbank.

Museum closure? No problem!

Bella has been asking for her and her family to go to museums but unfortunately that is not possible at this time. They have therefore decided to bring museums to life at home. "We working every day to make it bigger."

Response: Bella, we are all missing the wonderful museums, galleries and the many wonderful places in and around London. Thank you for sharing your own museum with us instead. Did you know that you can visit many great museums and places around the world from your own home? Check out this list of virtual tours and trips that can be found on our website:

<https://www.princeofwales.enfield.sch.uk/wp-content/uploads/2020/04/Virtual-Tours-and-Trips.pdf>

Children, let your teacher and class mates know if you have been somewhere great on this list that you would recommend.

Ismail 5H has been doing practical things to keep himself busy such as measurements in our cooking, reading instructions on google, busy painting and sorting his dads tools as well as encouraging his brother Halil to do his homework.

Well done to Naomi 5K, Varun 4H, Brian 4F, Yavuz 3R, Omari 1T and Esther 4T for moving up so well in their Rockstar Status! We have 53% of active users who between them achieve a whopping 93% accuracy.

Maisie and I were thinking about the value of this week, Family and community very fundamental topic especially in this unstable period we are living.

Maisie wanted to share some moments.

Normally during the weekends before the lockdown, she was used to spending quality time with the rest of the family and she especially loved reading the book given to her by the teacher during the week just to show to Grandma and Grandpa her reading progress and she knew she was going to receive a lovely treat 😊.

Now, mostly every evening, we are having a video call group were everyone talk about their day, we are doing some quiz and also a bit of reading.

Family is a very a deep value for Maisie and the community as well were we need to help each other; as Christian one of the first commandments is love your neighbour as you love yourself.

DigiSafe Daily

Day 3

Every day while schools are closed, LGfL is publishing questions, tips or challenges for primary pupils to help you stay safe at home and on your devices.

Ask your teacher for tomorrow's or head to digisafedaily.lgfl.net

A new online friend has asked Anna to do something a bit weird.

The new friend says it will be okay. Should she do it?

- a. Yes and then tell somebody afterwards
- b. Yes if the friend says it's okay.
- c. No, don't do anything you aren't sure about. Ask a trusted adult.

Why did you give that answer? *

Daisy & Diego's TOP TIP

If I get stressed or nervous, I might have been on my device too long, so I do something else from the Digital 5 A Day (see below).

Find out about me at undressed.lgfl.net

Remember the Digital 5 A Day: childrenscommissioner.gov.uk/our-work/digital/5-a-day

What are you doing today to:

- Be mindful _____
- Connect _____
- Be active _____
- Get creative _____
- Give to others _____

*Yesterday's answer was 1
[B] - 18 games are only for grown ups. They are illegal for children.
If you need a harder game, ask for one from a parent/carer to help you find one.

LGfL

DigiSafe

DigiSafe Daily

Anna should not do anything a stranger says online and if she isn't sure about it, Anna should ask a trusted adult before replying to the person.

The answer to the safety question is C. You would not trust a stranger in the street so you should not trust a stranger online either. You should always let an adult know to supervise what you are doing online to make sure you are safe.

Melanie 1To:

I found the digital safety poster useful because I think it's very helpful and it has important to inform children about child safety online.

Kimberly 1To (direct quote):

"No Anna should not do it. Because is bad"

Carnaval des Animaux

Watch this video about animals that are seen in urban areas across the world as streets are empty during lock down. What will happen when lock down finishes and streets fill up gradually?

<https://www.princeofwales.enfield.sch.uk/wp-content/uploads/2020/05/Lockdownarrivals.mp4>

1. What is the title of the music?
2. Who is the composer?
3. Name as many animals as you can.
4. How many countries are mentioned?
5. Can you find the countries on a map?
6. Find out about one of the animals.

Next, listen to this music:

<https://www.bing.com/videos/search?q=carnaval+dezs+animaux&qpvtt=carnaval+dezs+animaux&view=detail&mid=AA6DD1D7CCB229E9DB7EAA6DD1D7CCB229E9DB7E&&FORM=VRDGAR&ru=%2Fvideos%2Fsearch%3Fq%3Dcarnaval%2Bdezs%2Banimaux%26qpvtt%3Dcarnaval%2Bdezs%2Banimaux%26FORM%3DVDRE>

Iced Flower Eggs

- Crack the very top of the egg leaving a small hole the size of a fingertip.
 - Tip the egg out – make yummy omelettes!
 - Place the flowers gently in through the hole and add water.
 - Egg box can be used as a holder when freezing.
- Once frozen, run a little warm/hot water over the egg and remove shell.

What might Mr Taylor's dog Ghost be thinking?

On Wednesday the children in school enjoyed participating in a science experiment.

The challenge

How can you separate sand from salt when they are mixed together?

How did we solve it?

It was very difficult to separate the grains of sand from salt using our hands. So we poured water into the mixture and the salt dissolved in the water. We then used a funnel and filter paper to separate the sand from the salt.

Conclusion

The saline solution filtered on to a petri dish. We will now wait for 2 weeks to see if the water evaporates and leaves us with salt crystals.

<https://www.key-resources.co.uk/Members/PupilWeb/VEDay.htm>

Two children surrounded by rubble waving flags to celebrate VE Day.

VE Day celebrations London 1945.

Churchill salutes the crowds in Whitehall with a V-for victory sign.

Children's VE Day party 1945.

Winston Churchill announcing the end of the war in a radio broadcast to the nation at 3pm on 8th May 1945.

Look at the feelings of people in the UK after the war in Europe was finally ended. Will it be the same or different when we are finally rid of the Corona virus?

Maths Challenge

Maths activities for all the family

Weekly Challenges

Send us pictures of your work!

Enfield School and Early Years Improvement Service are running weekly maths challenges for children and families

You can take part from home or, if your parents/carers are key workers, from school.

Challenge 1

Make a tangram

Suggested age range: 5-11

Follow the instructions on the video to make your own tangram.

<https://www.youtube.com/watch?v=pBh83hXib04>

What different shapes and animals can you make with your tangram? If you search for tangram shapes on the internet there are lots of ideas.

Why not send us a picture of what you have done? Email a photograph of your tangram with a completed application form with **Maths Challenge 1** written in the subject line to:

Enfieldlearntogether@centralenfieldclc.org.uk

Please do not include children in the photograph.

All photographs submitted will be displayed on an online gallery and you will be sent a link to the gallery when the pictures are uploaded

Maths Challenge

APPLICATION FORM

Name of Maths Activity: _____

Child's name: _____

Age: _____

School: _____

Parent/carer name: _____

Contact number: _____

Contact email: _____

Address: _____

PERMISSION

I give permission for my child
to enter the Enfield Learns Together! Maths Challenge.

Please send a picture of the work with this completed application form to:
Enfieldlearntogether@centralenfieldclc.org.uk
with Maths Challenge written in the subject line.

The picture should not include images of children.
Images will be uploaded onto a website from mid-June and all applicants will be
sent a link to the pictures.

Early Years Home Learning

Nursery

Nhyiraba created his own Colourful musical shaker.

Nursery

We learned all about farm animals this week. Anela went on a local walk and visited some horses.

Nursery

Micah enjoyed reading Rosie's walk. He drew a picture of Rosie the hen walking through the fence. Can you spot the fox?

Birch class

Yasmin has written a super sentence about a rocket.

Birch class

Jessica R has been working very hard this week on subtraction.

Ash class

Vivaan drew his favourite meal from the story Super Daisy

Ash class

Amelia wrote sentences using colours and completed subtraction sums.

Oak class

Miran has been practising his maths everyday.

Oak class

Sengul took part in all the home learning this week

"I'm doing my homework right now," Wassim 1To

Mira (1T) is putting pasta into groups for maths.

Gabi (1T) enjoyed baking on a rainy day this week.

"This is the picture of me while I was doing the maths work." Melanie 1To

Year 1 home learning

"I went out a lot, played a bit of football and also found lots of tiny black tadpoles in the river."

Bella was made her own museum at home. Can you see all the different animals?

Natalie (1T) wrote her own poem using a photo from a busy classroom at POW.

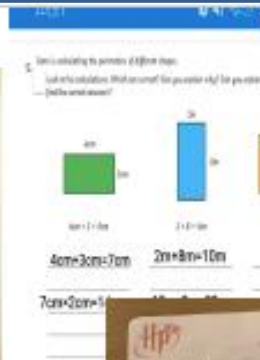

Peepo!
Here's a little classroom
One, two, three,
Look through the window,
What do you see?
I see 28 big children
doing their work perfectly
how good they are!
they are working silently

Hasanali has been working hard at home to learn how to count in 2's. Well done Hasanali.

In maths, Nisa has been practising repeated addition. Lovely drawings Nisa. Well done.

Maths

Will the avocado seed grow?

Year 3

RE

- 1) Look - black stripes, looking skin
- 2) Sound - A high pitched roar
- 3) Wisk, heff, clow, clapp, moon,
- 4) musky smell, shaggy coat

English

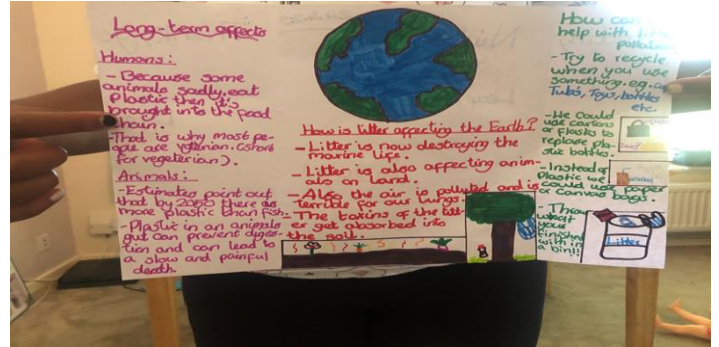

Year 4 Home Learning

This week we have been exploring Sikhism in RE, the effects of plastic on the world in English, the book Wonder in Reading and Place Value in Maths. It has been a wonderful week of learning. Some of our children have been sending in videos reading their writing aloud. Year 4 are very proud of the work they are doing. Here are just a few of our examples:

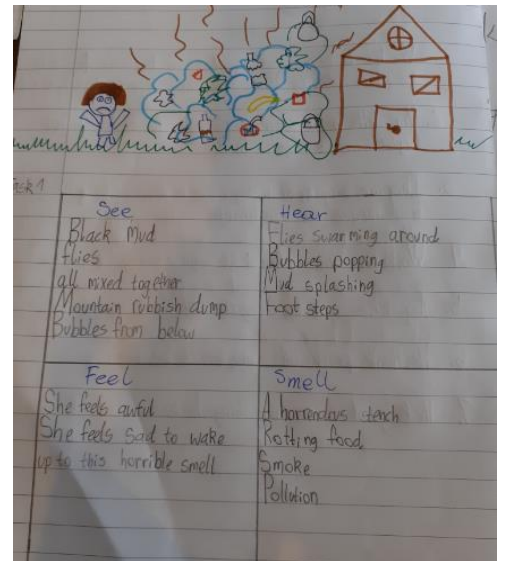

Get the new,
Super clean drink bottle

Purifies to PERFECTION. With the latest filters, you can be sure of a clean drink. With some colourful bismuth and safety glass it is suitable for all ages. The glass is Bulletproof so it won't break when you drop it. It costs 25 pounds for children and 30 pounds for adults. Sorry for the inconvenience. If it breaks in the course of one year after you brought it, we will give you a new one.

Warning: Bismuth is slightly radioactive. It is not harmful.

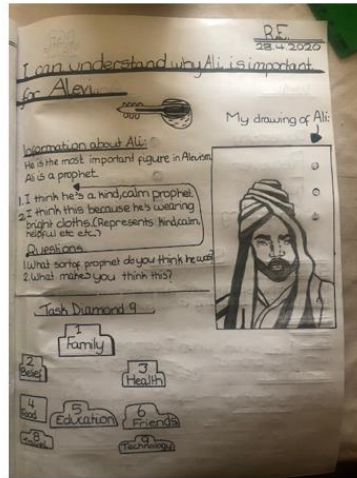

Robert

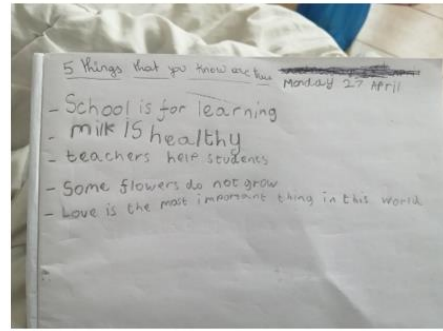

5H home learning

Ismail helping at home

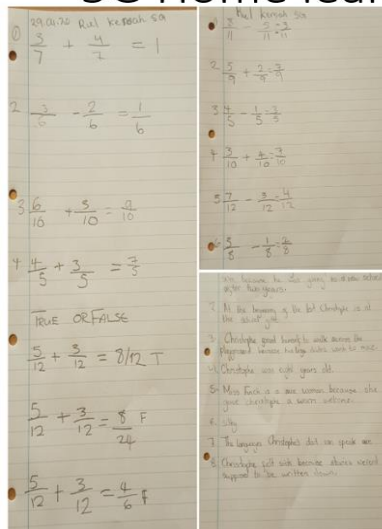

Arian's wonderful RE

Things we know to be true. Alex answered that "love is the most important thing in the world."

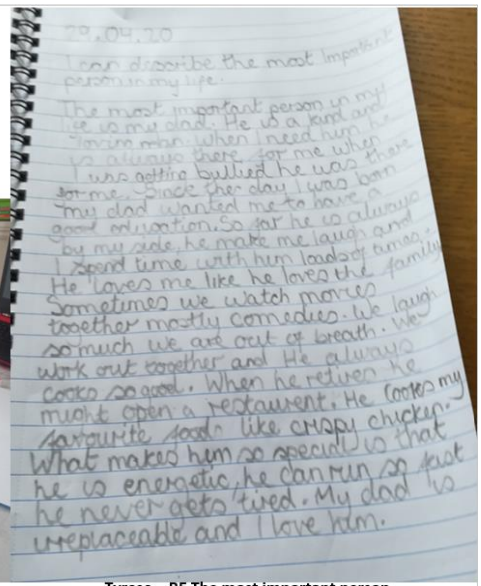

5G Home learning

Riel - Maths & DGR

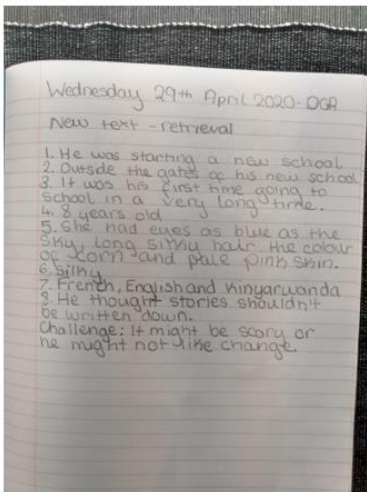

Sophie - simply working DGR

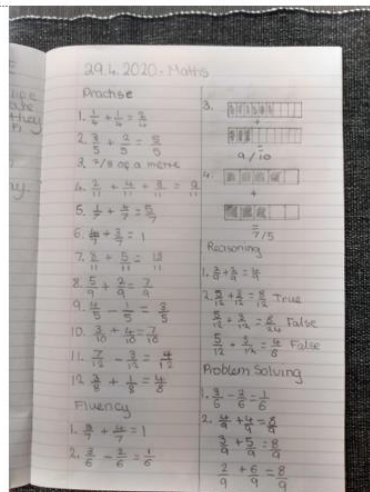

Tyrese - RE The most important person

5K Home learning

Naomi's work in DGR

Francesca's maths work

Ahmad's **super** fractions

Year 6 Home Learning

Science Results

Seeds that were polluted with a small amount of washing up liquid did not grow well. Seeds that grew in the dark were tall, spindly and a lighter green than the seeds which germinated in the light.

Timothy 6L

Rangoli Patterns

Tayana 6T

Pearl 6T

Anshika 6B
