What is a dialogue?

Dialogue is a conversation or speech that is written down as part of a piece of narrative text.

For example, we have this dialogue between the mouse and the owl:

The owl: **Where are you going to, little brown mouse?**

The mouse: **I'm going to have tea with a Gruffalo!**

The owl: **A Gruffalo? What's a Gruffalo?**

The mouse: **A Gruffalo! Why didn't you know?**

Task:

Now imagine you meet the Gruffalo.
What would your dialogue look like?

One banana

Chant this rhyme

One banana, two bananas, three bananas, four,
Five bananas, six bananas, seven bananas, more.
Seven bananas, six bananas, five bananas, four,
Three bananas, two bananas, one, no more!

Try saying this chant again and this time can you clap or stamp your foot
on the numbers?

*Be careful not to clap or stamp on the words **more** and **no more**.*

Can you make up any more verses using different food?
