

English

Week commencing 4th May

This week in English we will be looking at a new book. You have all of the weekly activities here. You can either do the tasks daily or attempt a couple a day. Just go at your own pace.

Activity 1

Read the text and write a paragraph explaining what you think the story might be about? Where is it set? Is it fiction or non-fiction? Explain your reasoning.

In the beginning of time people and animals lived together on the earth and there was no difference between them. Bear, human, raven, fox, even snow and ice, all had spirit, all had soul. The air was pure and clear as crystal. Words held a magic. A word spoken in a chance, a wish or a whisper would hold a magic that would shape the world.

Activity 2

Look at this image from the book. Can you visualise where this is set? Draw a picture of the blue ice cave where the polar bears were born.

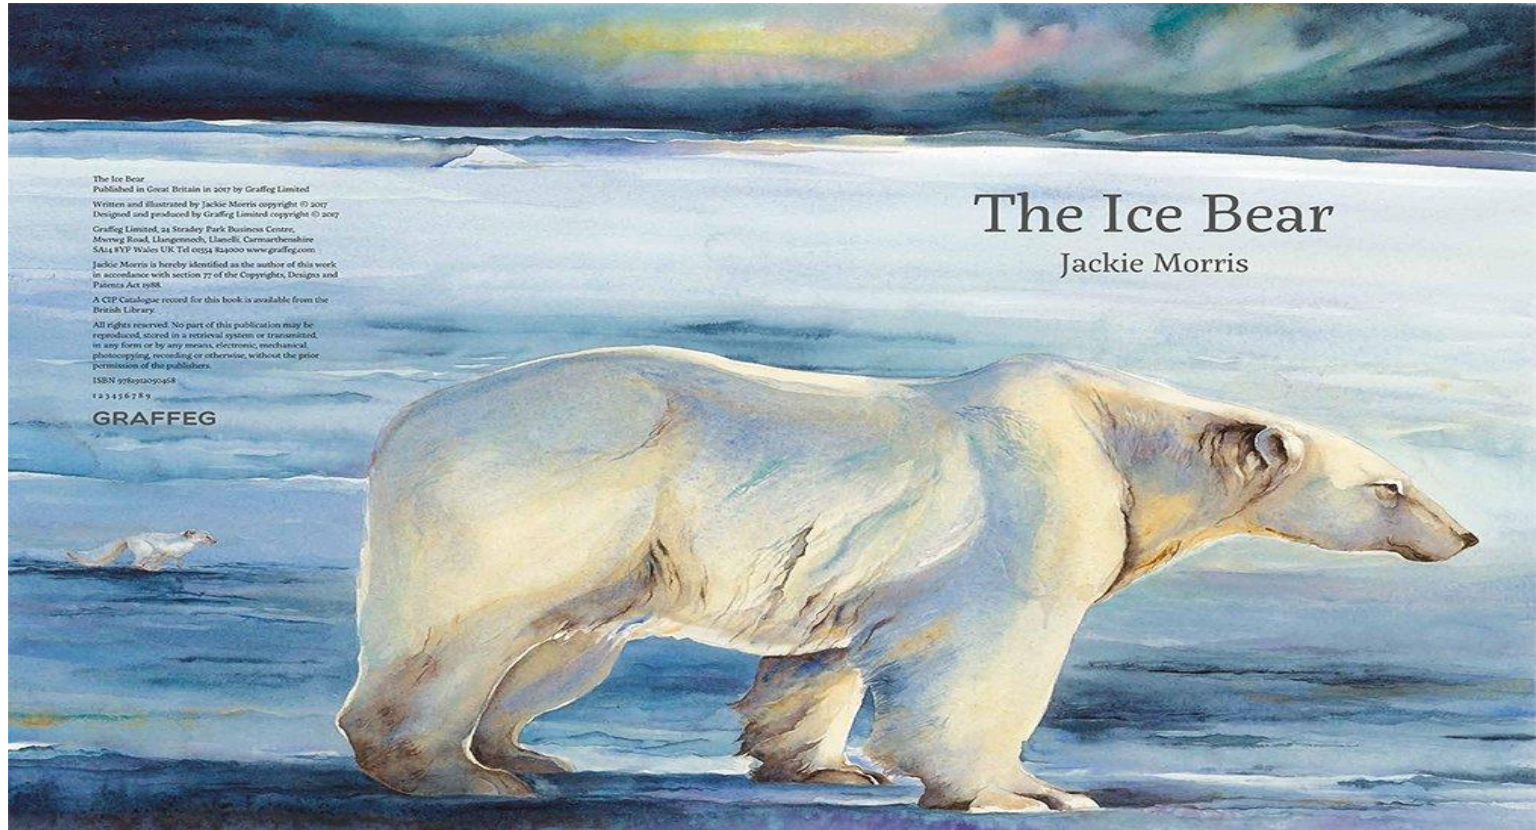

Activity 3

Write a paragraph to describe the setting that you have drawn. What can you hear, feel, see, taste, smell?

Activity 4

Compare your visualisation with the image in the book.

Did you imagine this? Why? Why not?
