

# Thursday PHSE – Money Matters

- When you have been to shops with parents / carers how do they pay for shopping?
  - Cash
  - Bank Card

- Talk to an adult about does it depend on the shop – so maybe using a card in a larger shop e.g. Sainsbury, or cash in a small local shop.
- Talk to people at home about whether they think that people will stop using cash altogether in the future. Ask them if they use less cash than they did 5 years ago?

- Let your imagination run wild how will money change in the future?
  - will we have cards?
  - Coins?
  - Something else?
- Draw a picture to show what you think money will be like in the future
