

Dear Parents/carers,

You will have received login details from your child's class teacher for a new website called times tables rock stars. This is something that we are trialling at Prince of Wales to support your children in learning quick recall of their times tables. Some children will only be doing the times tables set by their teacher as not all year levels need to know up to 12 x 12.

Year 1 – counting in 2s, 5s and 10s

Year 2 – recall 2x, 5x, 10x and 3x and division facts

Year 3 – recall 2x, 5x, 10x, 3x, 4x, 8x and division facts

Year 4, 5 and 6 – recall of all tables up to 12x12 and division facts

When your child first logs in there is a Gig that they need to play. This will find out which times tables your child already knows really well and which ones they need to learn. The games will then adapt to focus on the ones your child still needs to know

Please contact your child's teacher if you need support with any of the following:

- You have username or password issues
- Something isn't working or you're not sure how it works

Kind Regards,

Miss Thomas

Goal

When it comes to times tables, speed AND accuracy are important – the more facts your child remembers, the easier it is for them to do harder calculations.

Times Table Rock Stars is a fun and challenging programme designed to help students master the times tables!

To be a Times Table Rock Star you need to answer any multiplication fact up to 12x12 in less than 3 seconds!

Logging in to Times Tables Rock Stars

1

Type **play.ttrockstars.com** into your browser's address bar.

2

Click Login! > School > Student

3

Enter the School Name.

The screenshot shows a purple header with the word "Login" and a close button (X). Below the header is a white input field with the placeholder text "School, family or organisation *". To the left of the input field is a small black house icon.

4

Enter your child's username and password.

The screenshot shows a login form with two input fields. The first field is labeled "Username *" and has a small black icon of a person jumping to its left. The second field is labeled "Password *" and has a small black padlock icon to its left and a grey eye icon to its right. Below the fields is a grey button labeled "Login".

Game Modes

Single Player

Garage - the questions will only come from the times tables the teacher has set for the week. It will include multiplication *and* division questions.

As pupils start to answer questions, TT Rock Stars works out which facts they take longer on and will give them more of these questions to answer. The Garage is best for getting quicker at a few facts. Players get 10 coins per question.

Studio - the questions in the Studio can be anything from 1×1 up to 12×12 .

TT Rock Stars calculates the mean response time from their last 10 games in the Studio and translates that time into a Rock Status.

≤ 1 sec/qu = **Rock Hero**

≤ 2 secs/qu = **Rock Legend**

≤ 3 secs/qu = **Rock Star**

≤ 4 secs = **Headliner**

≤ 5 secs/qu = **Support Act**

≤ 6 secs/qu = **Breakthrough Artist**

≤ 7 secs/qu = **Unsigned Act**

≤ 8 secs/qu = **Gigger**

≤ 9 secs/qu = **Busker**

≤ 10 secs/qu = **Garage Rocker**

> 10 secs/qu = **Wannabe**

If you don't play in the Studio you don't get a Rock Status.

Players earn 1 coin per question and the Studio is the place for them to set their best time across all the tables.

Soundcheck – When you play Soundcheck, you get 20 questions each with a 5-second time limit. The questions are multiplication only and evenly weighted in terms of difficulty each time you play. Players earn 5 coins per correct answer.

Multiplayer

Rock Arena - The Arena allows players to compete against all other members of their Band (their Bandmates would need to join the same game in order to compete together).

A new Arena game starts every 15 seconds and once the clock starts they race to answer more questions than the others. In the Arena, questions will only come from the times tables the teacher has set for the week, similar to the Garage. They earn 1 coin per correct answer.

Rock Festival - The Rock Festival games are open to players from around the world. Like the Arena, there is no limit to the number of players who can join a game; however, unlike the Arena, questions are selected at random from 1×1 to 12×12 .

Pupils might choose the Rock Festival if they were playing at home (and therefore couldn't easily synchronise playing against a classmate) or wanted to compete against others not in their Band. They earn 1 coin per correct answer.

Stats

If you click on your avatar icon in the top right of the screen and then click My Stats, a heatmap like the one below will load. It shows how successful your child is at each of the facts.
