As you know Year 6 teachers are now being contacted by your secondary schools. This year it may not be possible for you to meet your new teachers beforehand. They would like to know a little bit about you so write a short letter to them telling them yourself. You could include what subjects you like / are good at. What you find difficult about school. What clubs you are hoping to attend at your new school, hobbies, talents and anything else you would like them to know. And if you have any worries about attending the school. We will pass these on to you new teachers for you.
Music	I can clap out syncopated rhythms.  I can participate in online body percussion sessions.	Click on the link on the website called <b>Music Thursday</b> .
