Digi Safety Question of the week

Don't forget to email your answers to your teacher.

Your friend wants to know your password. She says that best friends share everything.

Do you share it?

- a. Yes because that's what friends do
- b. No, never a good idea
- c. Yes but only if she promises not to share it

Why did you give that answer? \*

**Daisy & Diego's TOP TIP**

*I only add classmates and family as friends in apps and games; for anyone else, I check with a trusted adult first.*
