Subject	Our focus	Activity
CL Reading	I like to look at and talk about pictures and words in book	<p>All the pages from the story 'The Very Hungry Caterpillar' are muddled up. Look at the pictures and talk about what is happening in each picture. Don't worry about putting it in the correct order.</p> <p>The aim is for you to look at a page from the story and talk about what you can see in the picture and what you think the words might say.</p>
Mathematics	I can use the words big, medium and small and put them in order.	<p>Size game. Some of the food has shrunk or grown. Which one is big, medium and small? Watch out for the character from the story in there too!</p> <p>If you have a printer you can print it out and put it in the correct order from big to small. Don't worry if you don't have a printer. You can look through each page and point to which picture you think is big, medium and small. Talk about the sizes and point to them in the order they should go in.</p>
UTW EAD	I can use different materials to make something	<p>Make a 3D model of your own Very Hungry Caterpillar. Look at the pictures and videos for some inspiration.</p> <p>https://www.youtube.com/watch?v=klulTkPk48s&t=147s</p>
