Cooking

What are some World War 2 recipes?

Rationing throughout World War 2 forced people to cook with limited ingredients.

Milk, cheese and eggs, in particular, were in short supply. This encouraged several eggless recipes, such as eggless cake and eggless sponge.

Try this recipe below:

Pancakes

Ingredients: 1 egg, 4oz of wholewheat flour, 1/2 pint of milk and water mixed

Method:

Mix all the wet ingredients together.

Mix all the dry ingredients together.

Once you have mixed the ingredients, slowly add the wet ingredients to the dry ingredients to create a stiff batter then continue add the rest. Beat it well until it's smooth.

Add a little bit of margarine into the pan and wait until it is bubbling.

Pour in the batter and cook until both sides of the batter are brown.

Serve with either syrup, jam or sprinkle a little bit of sugar.

Enjoy.

Makes 6-10 pancakes.

Writing

As a result of shortage of food, British citizens were issued with a ration book. This limited and capped the amount of food they could purchase. Imagine that you are a child during the First World War. You live with your mother, father and sibling. Everybody in your house was issued with a ration book to buy food products. Use your sounds to write a list of food products.

Creative

- Create a union flag bunting.
- A simple paper craft activity- children can make their own model of a Spitfire plane from the Second World War. Or simply draw a Spitfire plan.
- Design a VE day medal for soldiers in 1945, thanking them for their service and showing the country's gratitude.

Please send photos of any activities completed to your class teacher on Monday 11th May. We look forward to seeing what you have been doing!

Enjoy!
