Reading:

Please read daily and complete your reading record. You can access Accelerated Reader clicking here and putting in your user name and password:

<https://ukhosted2.relearn.co.uk/1894742/>

You may find that some of your books at home are also on Accelerated Reader, so re-read them and give the quiz a go.

You can also go on <https://www.oxfordowl.co.uk/> and create an account to access their online books.

Some other websites to read/enjoy reading:

Maths Answers Tuesday

1. 8 squares
7 squares
20 squares
2. $8 \times 2 = 16$ squares
3. And 4. Show photos to your teacher.

Challenge:

1. There were 20 squares. I know this because when you solve the area of a rectangle you can do the length x width = $5 \times 4 = 20$.
2. Most letters can be made. They could be drawn on large squared paper or made with square tiles.
