

Wednesday 20th May

I can record ideas

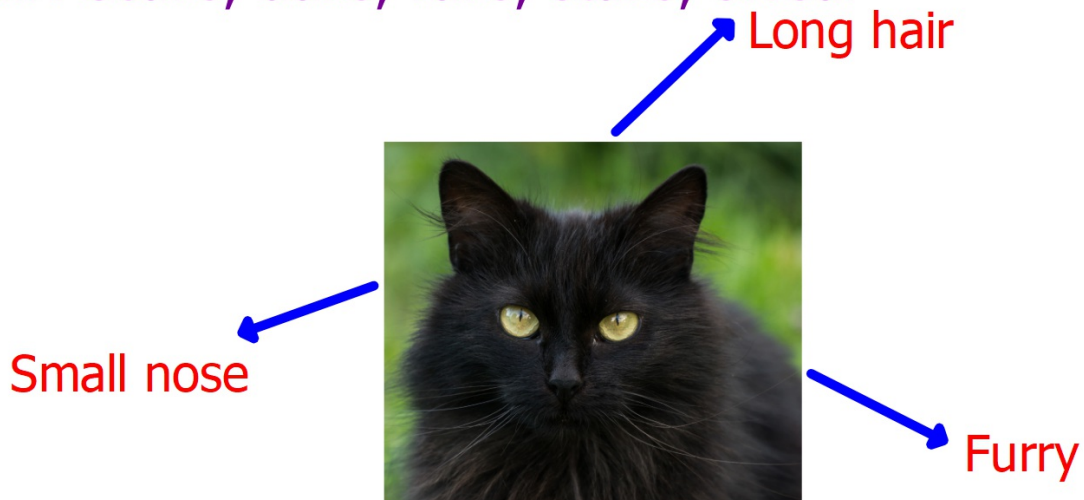

Look at your picture and description from yesterday. Remind yourself of what work you did.

Now you are going to choose four of the adjectives around your pet.

For each adjective you pick you are going to find at least three rhyming words for it.

For example:

Hair: scare, dare, rare, stare, swear

If you are finding this tricky try: <https://www.rhymer.com/>

Now you have collected rhyming words for your adjectives you can put them into sentences.

Three sentences for each adjective.

For example:

Hair: scare, dare, rare, stare, swear

- 1.The cat gave me a scare
- 2.And all you did was stand and stare
- 3.Please do not do it, I swear ...
