Lydia Monks

Aaaaargghh  
 Spider!

EGMONT

08/05/2018

It's really lonely  
being a spider.  
I want to be a  
family pet.

THIS  
family's pet!

08/05/2018

I know!  
I'll show them what a great dancer I am.  
None of their pets can dance like me!

"Look at me! Watch me dance!"

08/05/2018

**"Aaaarrgghh,  
SPIDER!"**

**"Out**

**you**

**go!"**

08/05/2018

Oh dear!  
I know!  
I'll show them  
how clean  
I am.

None of their  
pets are clean  
like me!

08/05/2018

"Aaaarrgghh,  
SPIDER!"

"Out  
you  
go!"

08/05/2018

Oh dear!

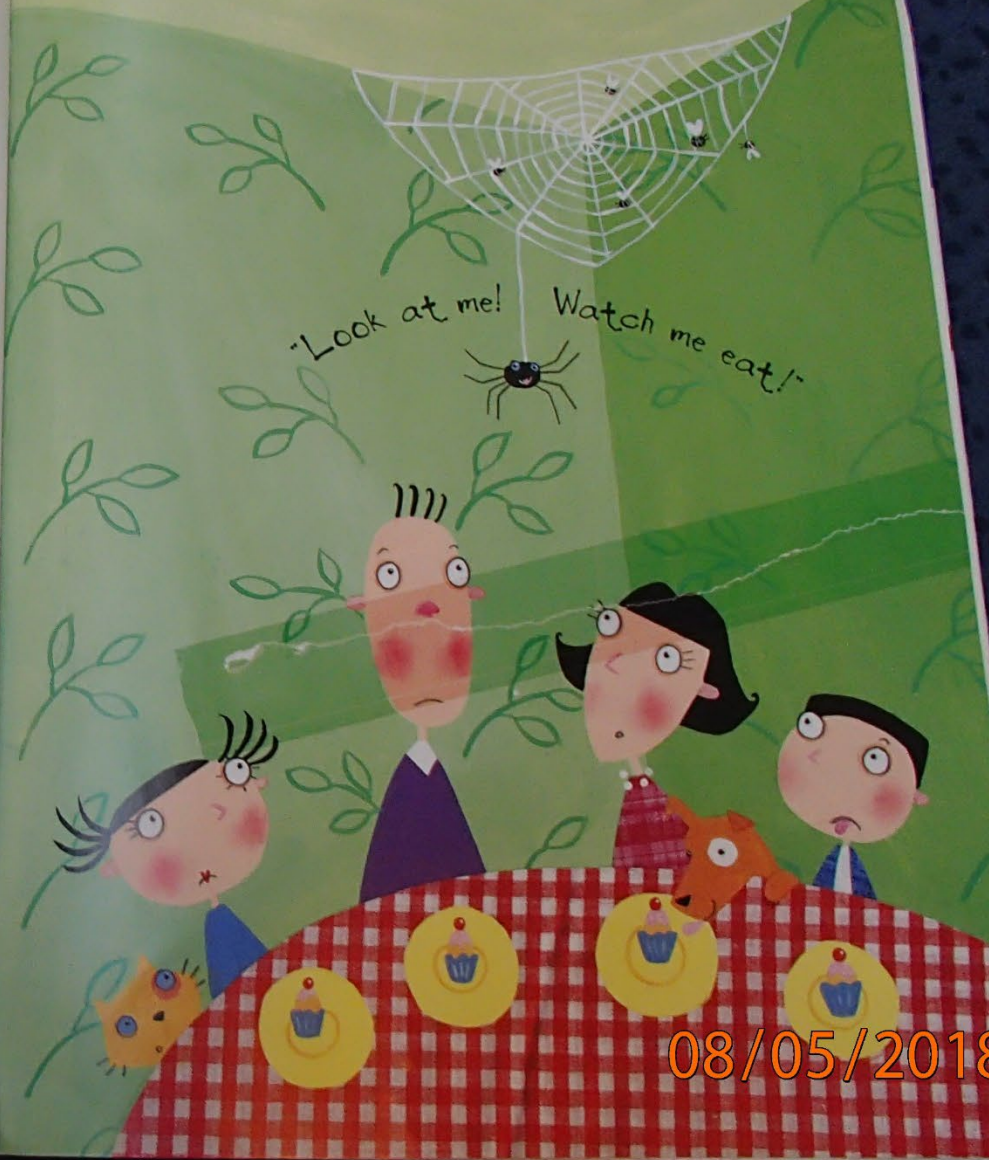

I know!  
I'll show them how easy  
I am to look after.

None of their  
pets can feed  
themselves  
like I can!

"Look at me! Watch me eat!"

08/05/2018

"Aaaarrgghh,  
**SPIDER!**"

"Out  
you  
go!"

08/05/2018

It's no good.  
This family will  
never want me.

I'm going to go  
and live all alone ...

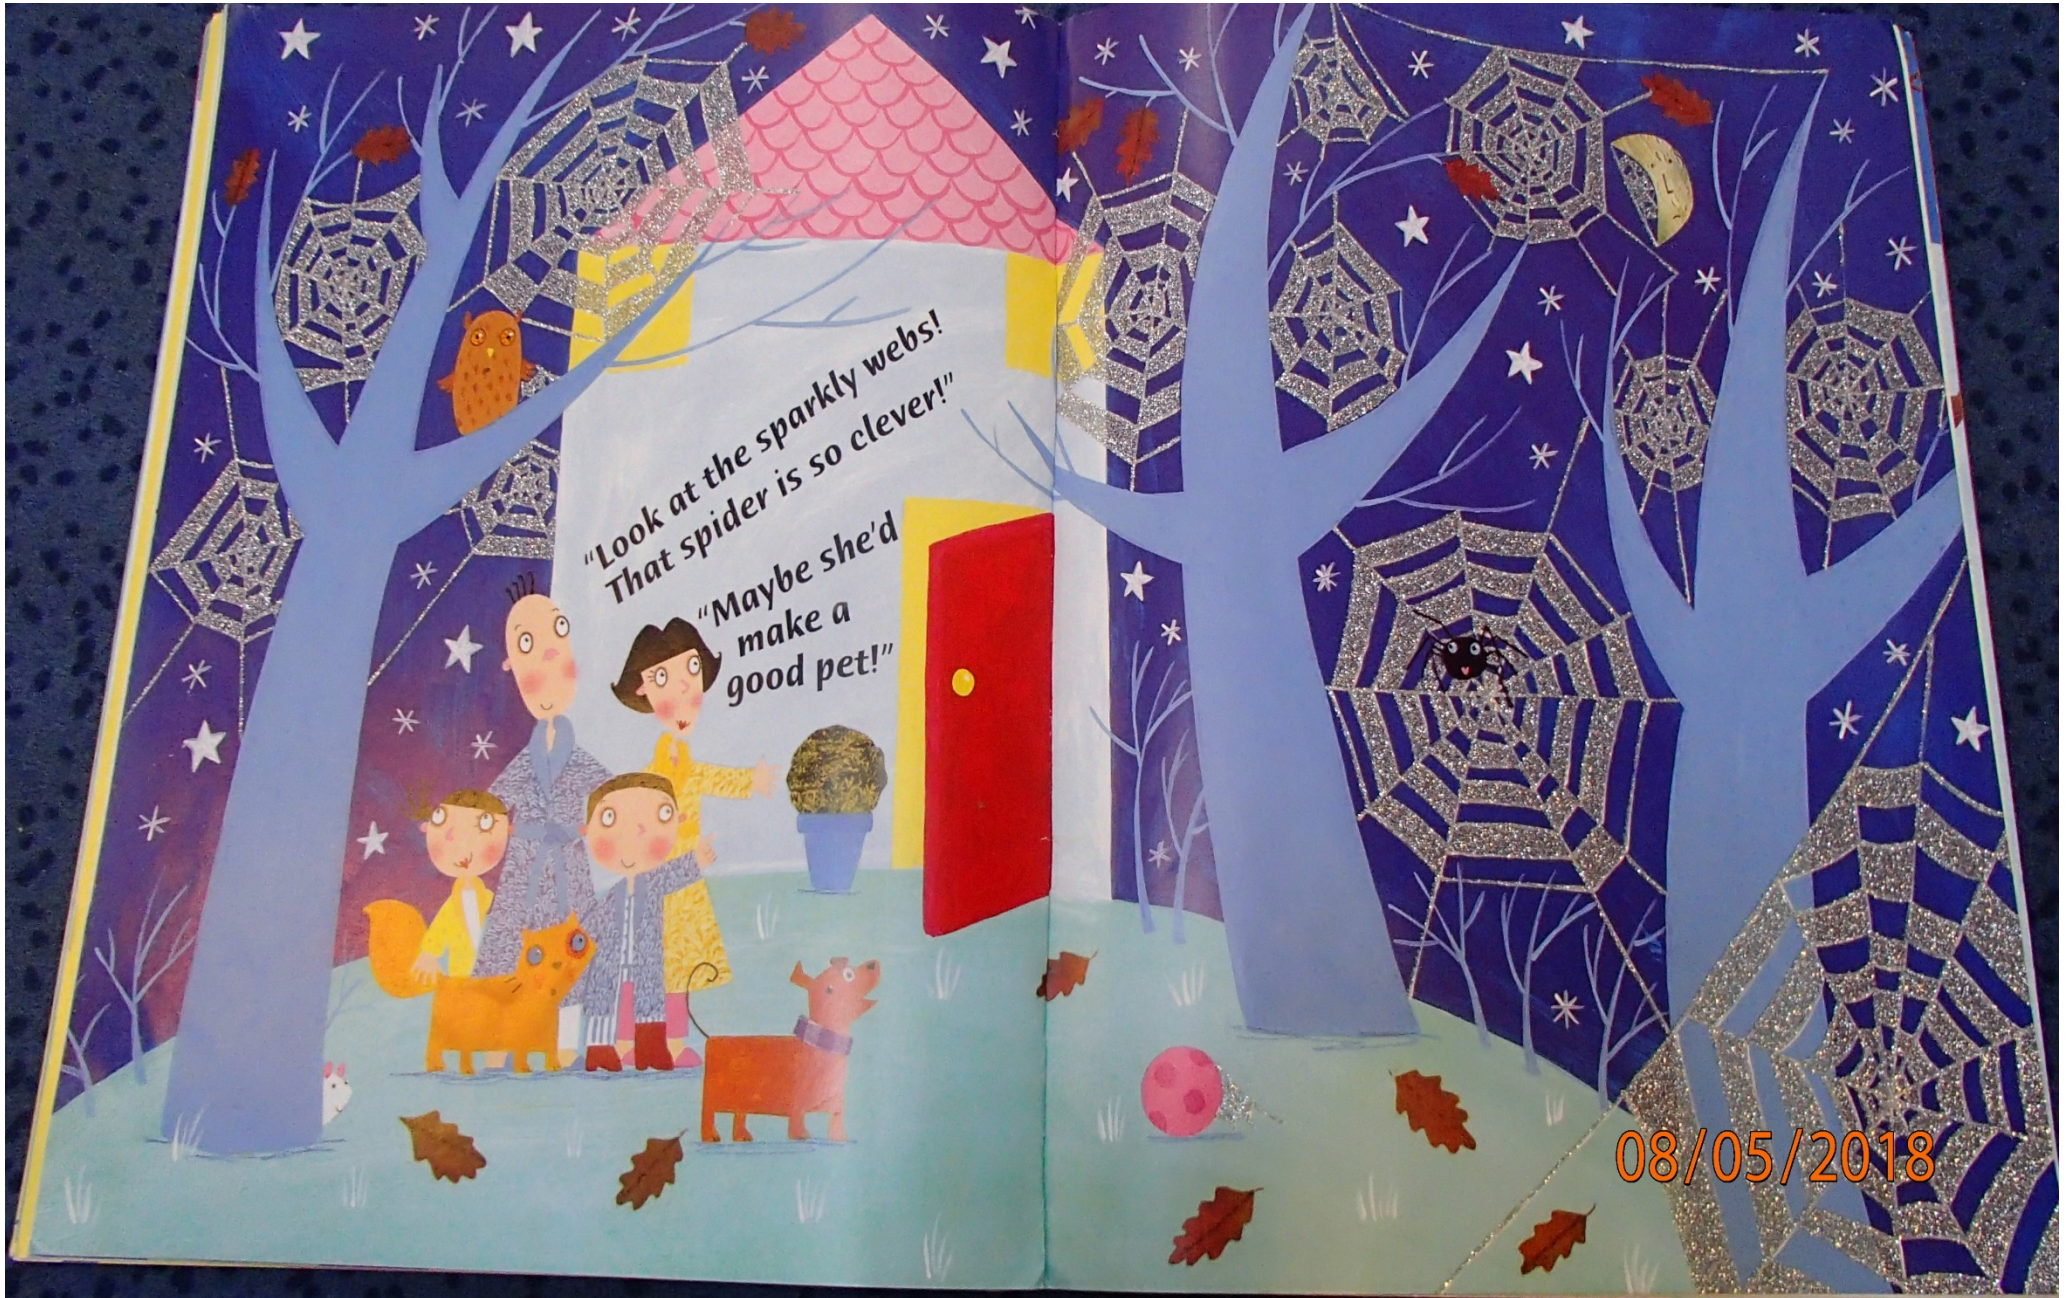

... in the garden.

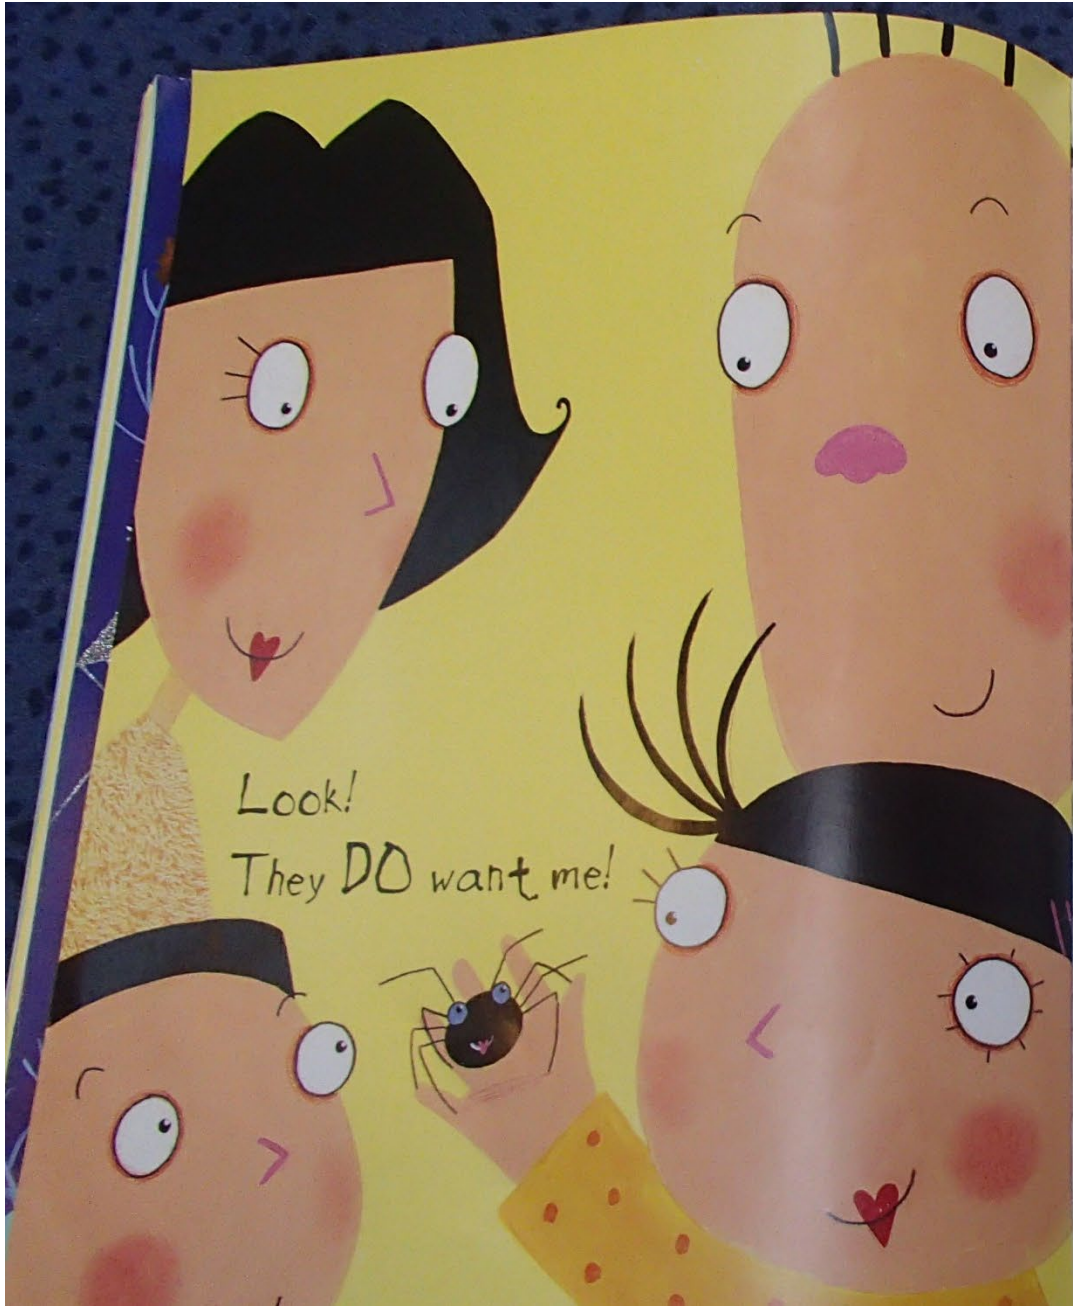

"Look out here,  
everybody!"

08/05/2018

08/05/2018

I'm a real, true, proper pet!

In fact, I'm so happy with my new family.  
I think I'll introduce them 08/05/2018

"Aaaarrgghh,  
**SPIDERS!**"
