Seasides Past and Present

Victorian Seaside Holidays

Seaside holidays back then were very different. Most Victorians would go to a British seaside, such as Blackpool because flying to another country wasn't an option.

They believed that the seaside air was good for you.

Some beaches were divided for men and women.

Sunbathing wasn't in fashion back then, so the Victorians would go to the beach fully clothed. 'Sea bathing' was done instead.

Beaches were a lot cleaner back then as there weren't as many packaged foods and snacks.
