Listening Excellence Attitude Respect Negotiate Enjoy Responsible Support

Dear Children, Parents/Carers, Governors and Friends,

At last, every child at Prince of Wales School has been invited back to school on 29 June. I understand that this is not possible for everyone but you should have seen the smiles on the faces of the staff this week when they were setting up classrooms and preparing for the return of their children.

Global Citizenship has been the value this week and this is relevant to so many aspects of our lives. It means building our understanding of world events. We can see how the pandemic has united the world in trying to find a cure for the virus. It is also about challenging ignorance and intolerance. Furthermore, it is about being involved in your local, national and global communities but, above all, it shows that we all have a voice.

Marcus Rashford used his voice this week to make a very welcome change to the lives of many children and their families. He knows about the power of the spoken and written word and used this to write a persuasive open letter to Boris Johnson. As a result, Boris decided to make a U turn and the government will now be issuing food vouchers during the summer holidays. I wonder if Marcus had practised persuasive writing at school as many of our children do. I am sure he did and then put his skills to good use to make a positive change. We are always talking about role models at school and he is one we can learn from. We are all looking forward to welcoming more children back from EYFS, Year 1 and 6 on Monday before we open up all classes the following week.

Wishing you all a lovely weekend,

Miss Clarke – Deputy Headteacher

This week's Value was **Global Citizenship**

Name:	Class:	Certificate achieved for:
Muhammad	1K	For showing fairness and consideration to all around you and for recognising that everyone in the world is linked together. Well done for being a good global citizen!
Reggie	1T	Reggie, you have been a fantastic global citizen this week as you followed all rules and expectations, keeping everyone safe in school. Well done, you have a lot to be proud of!
Harmony	1To	Harmony, you have taken responsibility to make pictures and posters for your grandmother's care home showing that you are a global citizen. You are an inspiration to us all.
Kezia	2A	For showing an understanding of the wider world and the rights and responsibilities that come with being a part of it.
Ozgur	2H	For showing an understanding of the wider world through his English work.
Nida	2T	For showing care and concern about others and a consistent willingness to learn. All qualities which show Nida to be a valuable global citizen.
Raj	3F	Raj has shown one of the values of global citizenship because he has worked cooperatively with others to complete his online learning during lockdown
Ulkan	3G	For being a good citizen of 3G. You are always respectful to everyone and you listen to the ideas of both your classmates and your teachers.
Essa	3R	Essa – you have shown your inquisitiveness and natural empathy in the home learning you have sent in. Keep up the good work!
Adrian	4F	For consistently completing and sending his Home Learning. You have shown yourself to be a global world citizen by continuing to have an excellent attitude to your Home Learning.
Annabel	4H	For her hard work and dedication towards her learning. She is considerate towards around her.
Jakub	4T	For being a global citizen by always being an inquisitive learner and looking for ways to make things better.
Rei	5G	For showing that he is a 'Global citizen' in being innovative and creative when he made his own sundial in a recent science lesson independently during home learning.
Vivienne	5H	Vivienne has impressed all of the adults who have been with her in class. Vivienne consistently produces high quality work and engages in all of the areas of learning. Her attitude and approach allow her to contribute to her class and wider school.
Jack	5K	For helping the environment by travelling on foot. I am well impressed with your enthusiasm and intention to keep fit. Keep it up!
Nicodemus	6B	For taking an active part in our school community. He is reliable, hard-working and is developing the knowledge and skills to engage successfully with the wider community in the future.
Evelyn	6L	For recognising the difficulties faced by refugees. This has been part of our English learning based on the book <i>The Journey</i> .
Almira	6T	For always going out of her way to support peers and adults alike. She is always keen to be a helpful and supportive member of the school community.

AM – 32.14%

PM – 16.52%

Ash – 30.34%

Birch – 75.20%

Oak – 44.13%

Attendance this week

1K 40.74%	2A 50.00%	3F 72.72%	4F 88.14%	5G 80.00%	6B 82.96%
1T 76.00%	2H 28.14%	3G 74.40%	4H 54.66%	5H 57.77%	6L 89.23%
1To 56.80%	2T 65.18%	3R 73.33%	4T 82.75%	5K 53.79%	6T 88.00%

Well done to **Birch, 1T and 6L** for best Home Learning attendance this week.

Overall attendance since the start of Home Schooling: **67.47%**

Last Week's Digisafe Question 9

A message appears on your screen saying you've won one million pounds. You just need to click on the link to get it. What should you do?

Which answers do you think are correct?

Why?

Answers to last week's Digisafe question from year 1:

"I wouldn't click on it" –
Reggie 1T

I would call my mum." Irem
1To

"Click it quickly &
take the money" –
Ella-Mae 1T

DigiSafe Daily

Day 10

Every day while schools are closed, LGfL is publishing questions, tips or challenges for primary pupils to help you stay safe at home and on your devices.

Ask your teacher for tomorrow's or head to digisafedaily.lgfl.net

David keeps saying mean things in your game about someone else because they look different to you. You don't really like them, so is that okay?

- a. Yes, as long as you don't join in
- b. Yes, because you don't like them either
- c. No

Why did you give that answer? *

?

No, Because it's terrible to say nasty things about anyone only because he's different to you. All are equal.

Natalie – 1T

Daisy & Diego's TOP TIP

If someone is really nasty to me on an app or game, I can block them, report them to the site or tell a trusted adult

Find out about me at undressed.lgfl.net

Join us to celebrate Maths Week London 2020!

LAST CHANCE! TO SIGN UP

Dear parent/carer,

As part of our commitment to make maths exciting and high profile in our school, we are taking part in a friendly competition involving schools from Greater London from Monday 22nd June to Friday 26th June. It's all done online via play.ttrockstars.com.

For every correct answer to a multiplication or division question, your child will earn their class a point. The Times Tables Rock Stars platform will calculate the class average (the number of correct answers per pupil in the class who play during the competition hours). Winning classes in the school and in the competition as a whole will be the ones with the highest average.

All game modes (Gig, Garage, Studio, etc.) will count but only from games played between 14:00 and 19:00 on Monday 22nd, Tuesday 23rd, Wednesday 24th, Thursday 25th and Friday 26th.

In the spirit of the competition, please don't play on their behalf but by all means encourage and support them to the extent that it doesn't cause high stress levels or impact on family plans. We suggest a limit of half an hour a day outside school hours – some will play more, some will play less.

Thanks for your support,

The PoW Maths Team

PRIZES TO BE WON!

TIMES TABLES ROCK STARS

LONDON ROCKS 2020

**PLAY 22ND-26TH JUNE
FROM 14:00 TO 19:00 DAILY**

ANSWER AS MANY QUESTIONS AS POSSIBLE

PLAY IN ANY GAME TYPE

WINNING CLASS WILL HAVE THE HIGHEST NUMBER OF CORRECT ANSWERS PER PUPIL

**ASK YOUR TEACHER FOR FULL DETAILS OR VISIT:

Reception

Sengul in Oak class can order her numbers to twenty, well done!

Nawal in Ash class answered questions and wrote about the story 'Emily Brown and the thing'.

Oscar in Birch class has been challenging himself every day with home learning activities. He has been enjoying the stories, learning new things and trying his best every day - well done Oscar!

Elleyanna in Ash class drew a secret message on a banana for science week.

Jessica in Birch class made number cards and ordered them from 1-20. She then practised finding 1 more and 1 less.

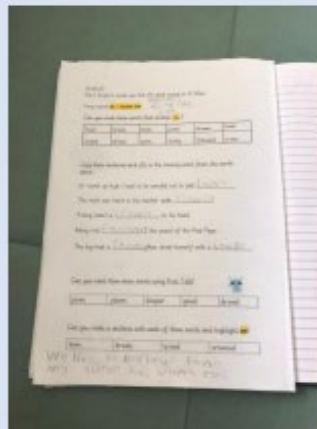

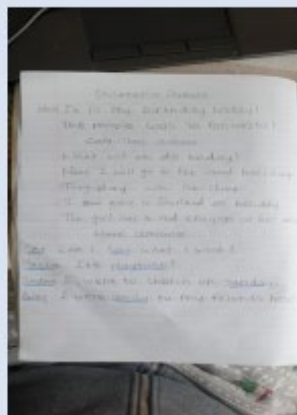

Shireen in Oak class has been practising her phonics and writing at home.

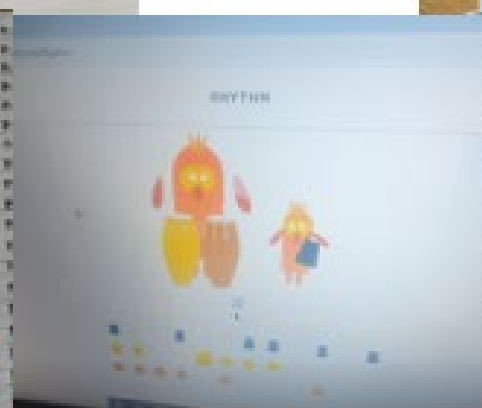

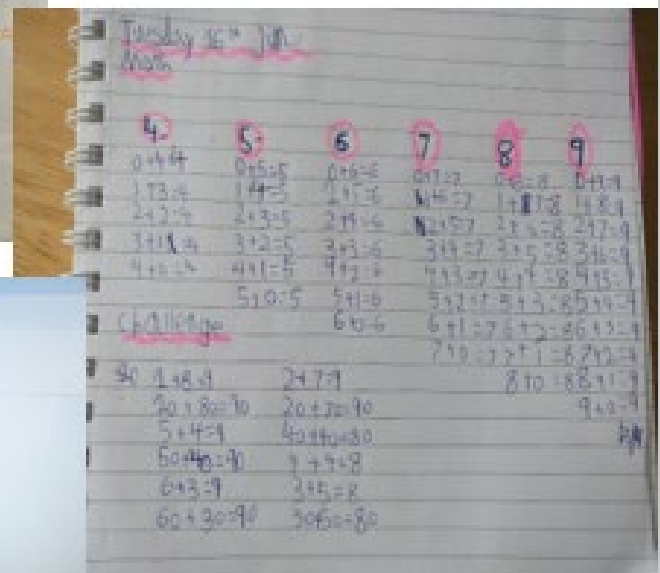

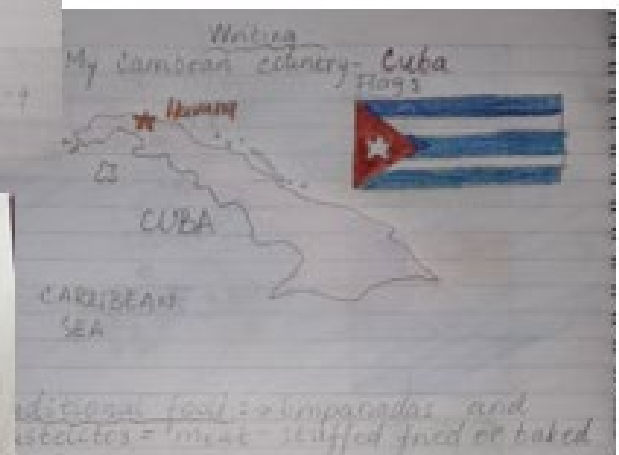

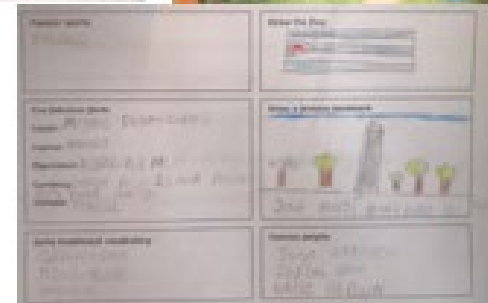

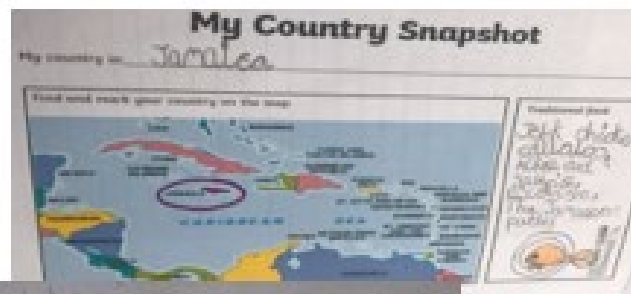

Year 1

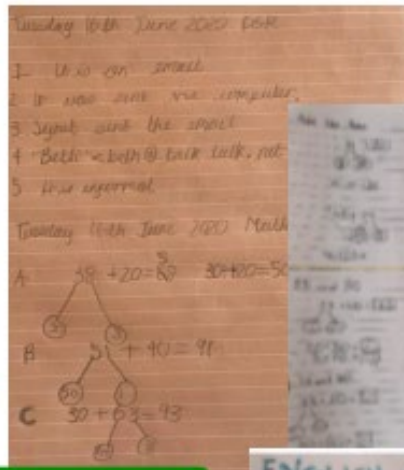

Year 1 have been enjoying lots of online learning this week. They have been working on naming the days of the week, months of the year; making animations on Purple Mash about a growing plant; and working their punctuation and grammar in English.

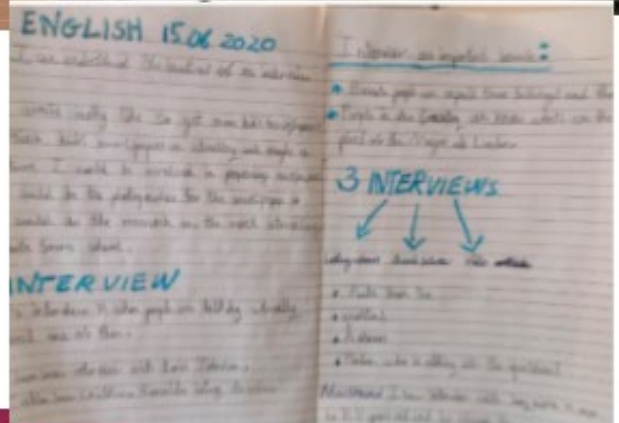

Year 2 Home Learning

DGR - Match the words

Calculation - An answer using mathematics ✓
Abacus - A counting frame with beads ✓
Machine - A mechanical structure that uses power ✓
Code breaker - A person who solves codes ✓
Billionaire - An extremely rich person ✓
Program - An instructions as a computer does a action ✓
They had a clear machine at the gym today.

Belinda's division work.

14.06.2020
14/20 = 0.7

Divide	How many times does the divisor go into the dividend?	Write the answer
14 ÷ 20	0.7	0.7

1. When dividing by 10, we move the decimal point 1 place to the right.
14 ÷ 10 = 1.4
14 ÷ 100 = 0.14
14 ÷ 1000 = 0.014

2. When dividing by 100, we move the decimal point 2 places to the right.
14 ÷ 100 = 0.14
14 ÷ 1000 = 0.014
14 ÷ 10000 = 0.0014

Autumn in the woods

The trees are changing. The leaves are changing. Everything is changing. The days are changing.

The leaves are falling. The trees are rustling. The leaves are beautiful. The leaves are changing. Everything is changing. The trees are changing. The leaves are changing.

Summer is nearly over. Autumn is nearly over. We need to get ready for the cold, windy days.

Autumn in the woods

The leaves are falling. The trees are rustling. The leaves are beautiful. The leaves are changing. Everything is changing. The trees are changing. The leaves are changing.

Summer is nearly over. Autumn is nearly over. We need to get ready for the cold, windy days.

5G Home learning

Rei - Sundial with natural Aloe Vera plant!

I like the pictures because it's relaxing and when you change the filter it is fun and really nice to do. Editing pictures is calming and soothing. These pictures make me feel like I'm on top of the world or I'm soaring in the sky.
Beverley's photography with applied

Oskar -
I chose a Venus fly trap plant because I think they look cool. They can move parts of the plant to trap and eat flies. It makes me feel amazed as not all plants can do that!

Orang-utan or Organgutan?

Can you guess in which of both photos James has used a filter?

5K Home learning

Derin's beautiful garden rose - using classic black and white filter.

Naomi -
I think my photo of the orange lilies in my garden are a winning entry since it really captures the colour of the flowers and their height. Also the fact that they are in the bottom corner really adds to the effect.

printed on to black
paper.

Year 6 love reading!

National smile month edition

NATIONAL SMILE MONTH - 18TH MAY - 18TH JUNE 2020

Whittington Health
NHS Trust

Welcome to the May edition of oral health newsletter

1. Brush your teeth last thing at night and on at least one other occasion with fluoridated toothpaste.
2. Cut down on how much sugary food and drink you have, and how often you have them.
3. Visit your dentist regularly, as often as they recommend.

Oral Health key messages video:

<https://vimeo.com/dftv/review/383523238/05daffc767>

Visiting the dentist

Whittington Health
NHS Trust

Visit your dentist every 6 months for a dental check up.

***Important *** During the COVID-19 pandemic if you or a member of your family require urgent dental care contact your dentist or call NHS 111

For further information please contact our Oral health promotion and Fluoride varnish team at:

Rose Asaro – 07977 461205 rose.asaro@nhs.net

Stay safe Stay strong

Toothbrushing

Whittington Health
NHS Trust

Toothbrushing Video: <https://youtu.be/Bi3R0cTie7c>

KIDS AND TEETH CLEANING

HOW TO BRUSH YOUR TEETH

Good brushing technique should take 2 minutes

Divide the mouth into 6 sections and take 20 seconds to brush each.

Start with outer surfaces of the lower jaw

Then the inner and then the biting surfaces

Repeat with the upper jaw

Small circular movements near the gumline is most effective.

All children up to three years old should use a toothpaste with a fluoride level of at least 1000ppm (parts per million). After three years old, they should use a toothpaste that contains 1350ppm to 1500ppm.

Should I rinse after brushing?

After brushing your teeth...

spit out the toothpaste, but don't rinse

Fluoride helps to protect your teeth remember to spit but don't rinse after brushing

Drinks

Whittington Health
NHS Trust

ONLY MILK OR WATER PLEASE. BE KIND TO MY TEETH!

If your child is thirsty, the best drinks to offer are milk or water.

Sugary drinks such as fizzy drinks, juice drinks, flavoured milks and 'baby juice' can cause tooth decay.

Plain milk or plain water are the only safe drinks for teeth
