I can recognise what makes a good wildlife photo.

The year 5 teachers took some wildlife photos? What is your favourite? Why did you choose it?

Mrs Kancheva

Mrs Gilfillian

Mr Halley

And photos from Mr Bless and Miss Clarke.

Mr Bless

Miss Clarke

What makes a good wildlife photo?

Get close, avoid a flash, don't shoot in very bright places, be patient, take something that interests you.

Mr Halley went out for a walk in Epping Forest and took some photos.

Task. Search for a wildlife photo that you like.
Send it and say why you chose it and how it makes you feel.

I chose an action photo of an oyster catcher flying over the waves.
I chose it because the oyster catcher is my favourite sea bird and it
reminds me of being relaxed by the seaside.
