

## Answers for Wednesday's DGR

1. The writer says it was sizzling and scorching.
2. Splattering , showering, wetting, sloshing
3. On an ice cream tree
4. Glittering in the wind.
5. False
6. 3 – A rhinos footprint, a feather of a soupee bird and a pair of very soft feet
7. The sore feet will reminds me of how much he had walked in the jungle.

Walking in the jungle will make his feet sore and he might want them to get some rest in his bag.

You always get sore feet when you walk in a place like a jungle
