

## Art - Thursday

This week, so far, we have been learning about Uccello's painting, the Battle of San Romano.

One of the themes of this painting is *conflict*.

Conflict means a serious disagreement or fight.

What is the opposite of conflict?

## PEACE

Think about how you could draw an image that symbolises peace.

## PEACE

Your task:

Use the internet to search for images of peace that you like. Collect these images together.

Option 1

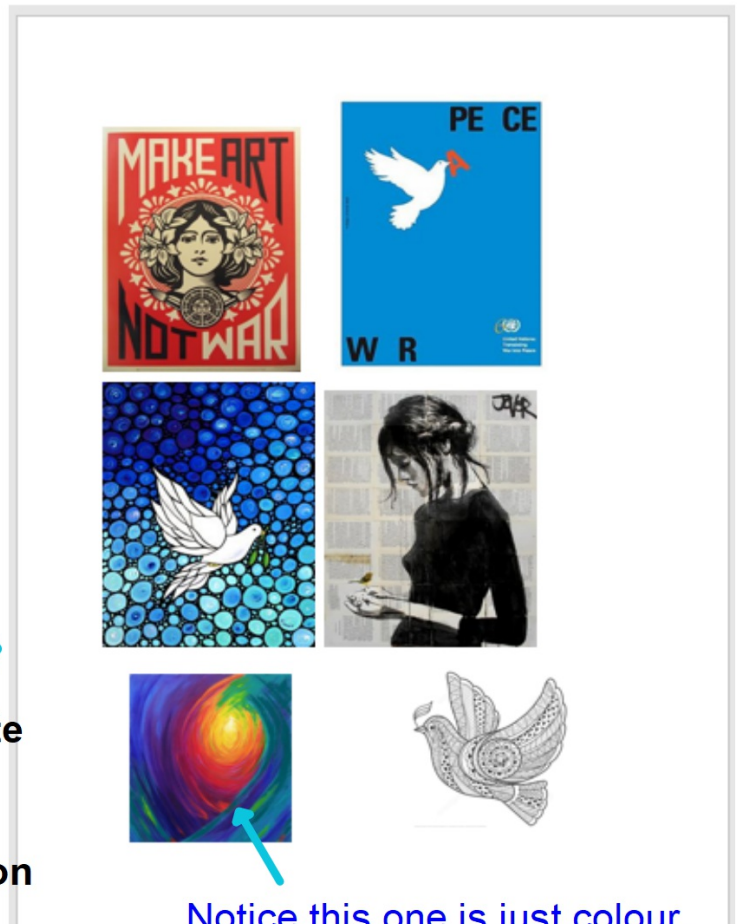

Copy and paste each image on to a word document.

Option 2

Make a quick sketch of each image in your book.

*Teacher's example:* →

Tomorrow, you are asked to create your own artwork based on the theme of PEACE. You can enter your artwork in a competition for The National Gallery called: **Take One Picture**

Notice this one is just colour, to symbolise inner peace.
