

Year Group: 6

Date: Monday 8th June

Subject	Lesson focus/objective (I can....)	Activity and/or instructions
Reading	I can define key vocabulary.	Click on DGR Pandas Monday and follow the instructions.
Mathematics (including times tables)	Dragons den project – I can carry out initial market research, including costings, of popular products.	Click the link on the website labelled ' Monday maths flipchart '. Work your way through, following the instructions and using the internet to help you with your research. When you begin drawing your product ideas, don't forget to look up the cost of the product or the cost of the materials needed to make the product. You can either print off the ' product idea sheet ' (on the website) or just copy the table into your blue book/piece of paper. Also, there is a task to create a survey of questions as part of your research. Please do try to send an email to your classmates asking them the questions. You can collect the most popular answers and use this to help you create a bar chart or tally. There is a lot to get through today so do as much as you can and you will be given Wednesday's lesson to finish off.
English The Journey By Francesca Sanna	I can talk about the change in atmosphere and mood of my picture.	Follow the website labelled Monday Change Atmosphere and Mood . Work your way through the flipchart.
Science	I can classify and group different animals.	Please click on The Nature Library Lesson 1 and follow the instructions. Key Vocabulary: vertebrate, invertebrate

Reading:

Please read daily and complete your reading record. You can access Accelerated Reader clicking here and putting in your user name and password:

<https://ukhosted2.renlearn.co.uk/1894742/>

You may find that some of your books at home are also on AcceleratedReader, so re-read them and give the quiz a go.
