

Year Group: 6

Date: Thursday 11th June

Subject	Lesson focus/objective (I can....)	Activity and/or instructions
Reading	I can mark my own work.	Click on DGR Pandas Thursday and follow the instructions.
Mathematics (including times tables)	I can complete an arithmetic test.	For today's maths, please choose to either complete the year 5 or year 6 extension arithmetic test (on the website). Try to time yourself, give yourself 30 minutes and see how many you can complete. Then finish the rest of the test in a different colour. Mark your test once you have finished.
English The Journey By Francesca Sanna	I can discuss what is happening at each stage of the journey.	Follow the website labelled English Thursday Different Stages of the Journey . Work your way through the flipchart.
Science Extra resources: yeast	I can describe different types of micro-organisms. I know that some micro- organisms are harmful and some are not.	Click on The Nature Library Lesson 4 . If you have yeast, there are different activities to choose from. If you do not have yeast, sort different micro-organisms by deciding whether they are harmful or not, on the final slide.

Reading:

Please read daily and complete your reading record. You can access Accelerated Reader clicking here and putting in your user name and password:

<https://ukhosted2.renlearn.co.uk/1894742/>

You may find that some of your books at home are also on AcceleratedReader, so re-read them and give the quiz a go.
