

Year Group: 6

Date: Thursday 4th June

Subject	Lesson focus/objective (I can....)	Activity and/or instructions
Reading	I can answer inference questions based on the extract.	For today's DGR please click the link on the website labelled – Thursday – DGR – Flipchart and follow the instructions. Answers will be on the website for you to mark your work tomorrow.
Mathematics (including times tables)	I can solve test questions involving money.	Please find answers to yesterday's maths below . For today's test questions, please click the link on the website labelled 'Thursday – maths – test questions' . Answers will be on the website for you to mark your work tomorrow.
English	I can create an image which captures what summer means to me.	Follow the website labelled Thursday Image which captures summer . Work your way through the flipchart. <u>Keep your picture in a safe place as you will need to refer to it again next week.</u>
Art Uccello Project	I can use the internet to research images of peace.	Click on Art Lesson 4 to see the teacher's example of researching the theme of peace.

Reading:

Please read daily and complete your reading record. You can access Accelerated Reader clicking here and putting in your user name and password:

<https://ukhosted2.renlearn.co.uk/1894742/>

You may find that some of your books at home are also on AcceleratedReader, so re-read them and give the quiz a go.

Maths - yesterday's answers

1 $£12.00 + £3.20 = £15.20$ 2 $£7.50 + £1.50 = £9.00$ 3 $£9.50 + £2.00 = £11.50$

4 You have £5.70 in your piggy bank and you save up another £6.40. How much money do you now have in total? **£12.10**

5 You have £5.00 in your pocket and you visit the shop. You buy a magazine for £1.50 and a book for £2.20. How much change do you have? **£1.30**

Burger
£2.50

Pizza
£4.00

Fruit Salad
£1.00

Orange Juice
£0.50

Tea
£0.75

Hotdog
£1.50

Chips
£2.00

Cola
£0.70

Milk shake
£1.00

6 Miss Kurt wants to buy five hotdogs and five milkshakes for herself and her friends. She has a £20 note. How much change does she receive? **£5.50**

7 If you have a £10 note and buy three milkshakes, how much change will you receive? **£7.00**

8 If you buy a hotdog, a cola and a fruit salad, how much change will you receive from £10? **£6.80**

9 If you have £10 and buy three fruit salads and three cups of tea, how much change will you receive? **£4.75**

10 If ten friends buy burgers with £30, how much change will they receive? **£5.00** Do they have enough left so that each of them can buy a drink? (show how you worked this out). **They could each get an orange juice. £0.50 x 10 = £5.00**

Challenge!

What is the largest number of cups of tea you can buy with £5? **6** How much change will there be? **£0.50**

How many friends can have a hotdog and chips each with a £20 note? **5** Will there be any change? **£2.50** (show how you worked this out). **£3.50 x 5 = £17.50. £20.00 - £17.50 = £2.50**
