

Year Group: 6

Date: Wednesday 10th June

Subject	Lesson focus/objective (I can....)	Activity and/or instructions
Reading	I can retrieve relevant information, including inference.	Click on DGR Pandas Wednesday and follow the instructions.
Mathematics (including times tables)	Dragons' den project – I can create a tally or bar chart to show the results from my research.	Today's maths lesson is time for you to finish off lesson 1 from Monday. You may have sent an email to classmates to ask them your survey questions, today you can work out the most popular answers to these questions and create a bar graph or tally chart. Please also finish any other tasks you did not complete on Monday.
English The Journey By Francesca Sanna	I can empathise with a character by selecting my important possessions.	Follow the website labelled English Wednesday Selecting Important Possessions . Work your way through the flipchart.
Science	I can observe and count local birds.	Click on The Nature Library Lesson 3 . First of all, mark your answers from yesterday and then follow the instructions to observe and count local birds. You may also want to use the Bird observation sheet to help you.

Reading:

Please read daily and complete your reading record. You can access Accelerated Reader clicking here and putting in your user name and password:

<https://ukhosted2.renlearn.co.uk/1894742/>

You may find that some of your books at home are also on AcceleratedReader, so re-read them and give the quiz a go.
