

Year Group:6

Date: Friday 12th June

Today is Enrichment Day so you will not have the usual lessons, instead please complete these activities.

Science/ Art	I can observe and draw using a medium of my choice.	This activity links to the science work we have been doing this week. Select an animal of your choice. It could be a local bird, a big cat. It could be an invertebrate! Draw this animal, using any art materials that you have. If you only have pencils, a black and white line drawing is just as effective.
