Subject	Our focus	Activity
CL Reading	I can recognise when words start the same e.g. big boat. Alliteration	Take part in the Phase 1 letters and sounds Alliteration game. Click on the link under today's home learning sheet.  Alliteration is when two words start the same such as 'tall tower or pink pig'  Look at the instructions and then the poster to find the pictures that match the alliterations. Discuss the alliteration with each other e.g. "Can you say terrifying tiger. Terrifying tiger sounds the same, why? Where is the Terrifying tiger in the picture?"
Mathematics	I can use marks and pictures to represent numbers	Create your own salt dough or playdoh numbers. If you already have playdoh - perfect you can use that. If you have the ingredients see the link for a salt dough recipe. This is also a fun activity for measuring quantities. Look at the link under the home learning activities.
UTW <i>Technology</i> EAD	I can talk about animals and their features	Take part in the game "What's through the binoculars" Look at the link under today's home learning.  Look at the different features of the animals you can see. <b>Which part of their body can you see? What colour/pattern does it have? Which animal do you think it is?</b>
WEEKLY TASK PSED & PD	I am curious and want to learn and play	<b><u>Getting ready for school</u></b> Playing is very important for each child's development. Conversations with you also help them to learn. When you play with them or take them for a walk ask them questions about the natural environment, animals, transport! Give them facts or explore facts together e.g. when you play with trains you can explore different types of trains e.g. steam train, underground trains, trams etc <b><u>Cosmic Yoga – Jungle Safari!</u></b> <a href="https://www.youtube.com/watch?v=C4CaR0syf1g">https://www.youtube.com/watch?v=C4CaR0syf1g</a>
