I can use digimaps to mark my location

**Digimap for Schools**

**AT HOME...**

# 1. Go Hunt!

1. Pick a list of things to find. If you don't have a garden, try list two!
2. Take photos of anything you find!

<b>List 1 – in the garden</b>	<b>List 2 – from your window</b>
<ul style="list-style-type: none"><li>☺ A flat stone</li><li>☺ A flower</li><li>☺ 10 blades of grass</li><li>☺ Something that is heavy</li><li>☺ Something that is light</li><li>☺ Something that needs sun to live</li><li>☺ Something smaller than your thumb</li><li>☹ Something that starts with "S"</li></ul>	<ul style="list-style-type: none"><li>☺ An oddly shaped cloud</li><li>☺ 3 red cars</li><li>☺ House numbers with 4 in the number</li><li>☺ Blue front doors</li><li>☺ Yellow flowers</li><li>☺ A dog</li><li>☺ A rainbow</li><li>☺ Something green</li><li>☹ Something that starts with "S"</li></ul>

# 3. Find your street

1. Type your postcode in the Search box - it's above the map, on the left.

EN36HG is the school postcode – you can then find your own street.

2. Now select the magnifying glass next to the search box.
3. The map should have a red marker on your street.

# 4. Zoom in!

1. Let's zoom in on your house. You can:

- o Select the plus button on the scale bar, or

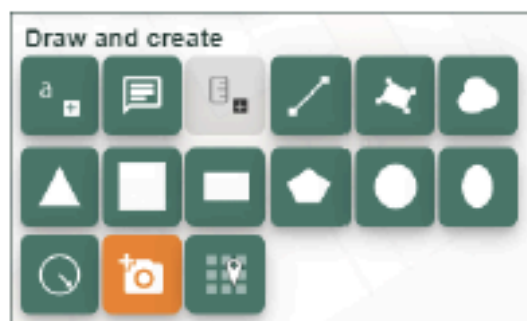

- o Double click or double tap where you want to zoom in.

2. Can you see your house?

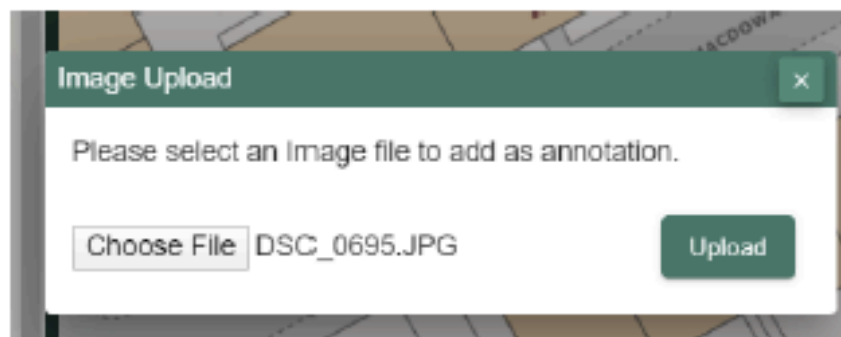

# 5. Let's Draw!

1. Select Drawing Tools – look on the left.
2. Add a marker to your house. Just choose your marker then select your house.
3. Add a text label: maybe 'my house' or 'my hunt'.
4. Now let's add your scavenger hunt photos!
  - o Make sure you have any photos you took on your computer
  - o Select the Add photo button:

- o Select the point on the map where you want to add a photo
- o Now Select Choose File, find your photo and select Open
- o Select Upload

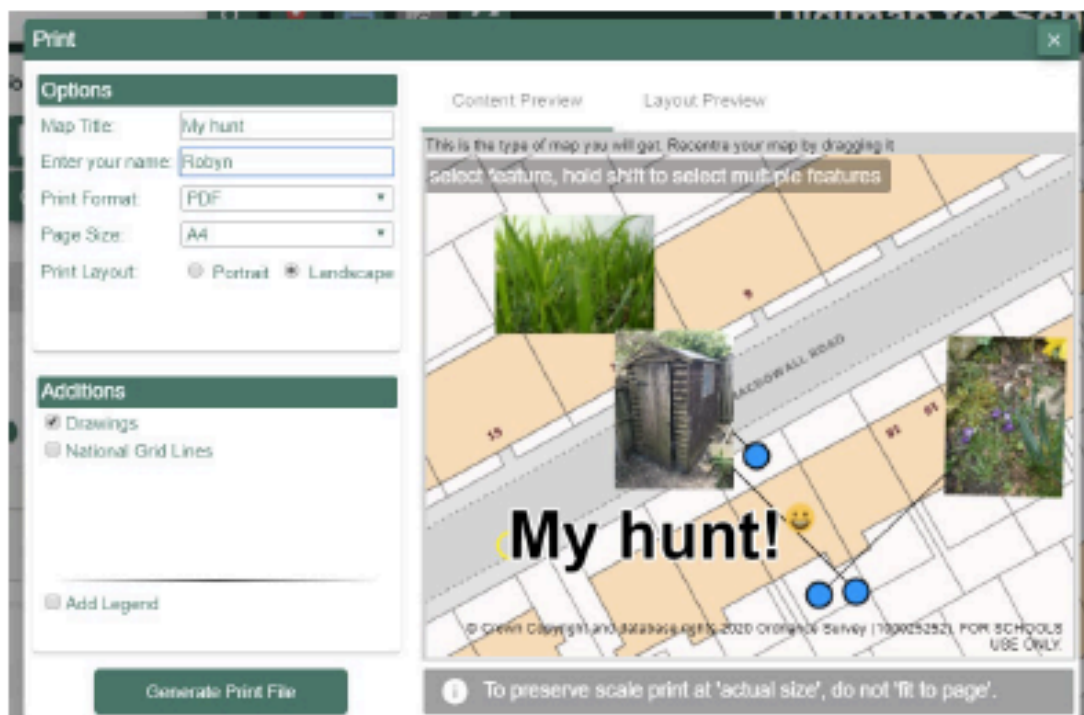

5. Keep adding photos until you are happy with your map 😊

# 6. Share your work

1. Select Print – look above the map

2. Type in a title, your name.
3. Select Generate Print file.
4. Your computer will ask you where to save your PDF file.
5. You now have a map you can share with your family, teacher, friends or US! We would love to see it. Tweet us @digimap4schools.
