

Friday 12th June

I can complete missing number sequences in 10s and 100s.

Play this game to find 10 more

<http://www.ictgames.com/mobilePage/hundredHunt/>

Play this game to find 100 more

Now try the work sheets:

Number patterns with 1s and 10s

Number patterns with 100s

Challenge:

Use the number cards to make a sequence. Can you make more than one sequence?

200		400
	300
