Mathematics	I can derive and recall all addition and subtraction facts for all numbers to 10.	<p>This week we are going to addition and subtraction facts for numbers up to 10. Today we are going to practise our number bonds to 5 by using our fingers!</p> <ol style="list-style-type: none">1. Draw around your hand and cut it out like the one in the picture.2. If you put one finger down, you had 4 fingers left up. So we can say $1+4=5$ and if you put two fingers down and you have three fingers left up it will be $3+2=5$3. Find all the numbers bonds to 5 this way and write them as addition number sentences.4. Challenge- Try writing them as a subtraction sentence too 😊 So, because you started with 5 fingers, put one finger down and you are left with 4 you can say $5-1=4$. Another example is $5-2=3$ 

<p>English: The Jolly Postman Week 2</p>	<p>I can talk for write.</p>	<ol style="list-style-type: none"> 1. Google: https://www.youtube.com/watch?v=gpeo_0yoD0k and watch the pages about Goldilocks and The Three Bears. 2. Pretend to be Goldilocks and your adult is going to be Baby Bear. Baby Bear is going to ask you questions e.g. Why did you come into my house Goldilocks? Why did you eat my porridge? Goldilocks what are you going to do to show you are sorry? 3. Discuss what happens at the end of the letter: Goldilocks invited Baby Bear to her birthday party. 4. Find out what a conjurer is and email your teacher. 5. Have you ever received a letter? With your adult look for letters to you or your family in your house. We will need them for tomorrow's lesson.
<p>PE</p>	<p>I can contribute to a team event.</p>	<p>This week marks the beginning of the Enfield Virtual Olympics! You can see a reminder of the details on pages 4 and 5. Remember to send your results to your teacher. The score card is on page 6.</p>

Here is a reminder about our virtual Olympics:

The Virtual Summer Olympics

With the 2020 Olympic Games postponed, and school sports days unable to happen, we have decided to enter the 'ETSP Summer Olympics'. This is going to be a very exciting competition that we can all get involved with from home or at school!

Our Olympics will be held from Monday 29th June until Friday 3rd July. During this week, we encourage you to complete the activities to the best of your ability!

You will take part in 5 different Olympic challenges across the week. You must complete:

- **2 active challenges**
- **1 creative challenge**
- **1 educational challenge**
- **1 challenge of your choice (from any of the categories)**

You must record your results on your score card and send it back to your teacher by Friday 2nd July 2020.

Make sure you practice the activities first and record your best result!
