

<b>From Mrs Gilfillian, Mrs Kancheva, &amp; Mr Halley</b>	Good morning Year 5. We hope that you had a good weekend and enjoyed the sunshine. This week we will be focussing on Computing. We will be thinking about how we have used computers during lock down and how we are keeping ourselves safe. We are going to then focus on digital photography and run a nature photography competition to see what we can see in the local area. Keep learning! Best wishes, from the year 5 teachers.
