

Monday 15th June

I can mentally add 2 2 digit numbers.

How many grapes do they have in all?

Count on in tens from 19.

$$19 + 20 = 39$$

Emma counted on 20 which is 2 tens from the number 19.

Have a go at counting on to find the answer to $23 + 20 =$

What is your answer. Discuss this with an adult.

Now have a go at this worksheet using the counting on method.

Complete the challenges.
