

# Student Council Elections

Good afternoon, my name is Natalie Hicks and I would like to explain why you should vote for me in the student council elections on May 1st.

I have been attending this school since I was 5 years old so I care a lot about what happens here. I learned to read at this school, I lost my first tooth at this school and I have enjoyed every minute of my time here. However, I think that together we could make some changes that would benefit everyone.

Have you ever wondered what recess would be like if the equipment we had was even better? How about if you got to choose how any money raised at the school was spent? I plan to arrange new and exciting fundraising opportunities and then ask you - the children - what we should spend our money on to make sure we have the best equipment possible.

Furthermore, I will make an excellent school councillor because I have really good ideas. I have shown this in my school work and in my enterprise projects. I know what children at this school want because I have a lot of friends and I talk to lots of people. I am good at talking to adults - it always says so on my school reports.

Additionally, I am trustworthy and honest. This is an extremely important quality in a school councillor. If my friends tell me a secret, they can depend on me not to tell anyone else. Just the other day I found \$5 in the playground and handed it straight in to the office.

I have explained why I am undoubtedly the best candidate for this position. I know the school, I have good ideas which I can communicate and I am reliable and honest. Vote for me!

Dear Mr Kane,

It goes without saying that you are at the peak of your football career. Surely you must want to support the next generation of football heroes to become the stars of football's future? That's why I'm writing to ask if you would pay a visit to my school and coach our team – the Wilton Wildcats.

Undoubtedly, your great leadership skills led England to success in many World Cup matches in 2018. The Wilton Wildcats require skilled and experienced leadership to achieve our potential. Only someone with your expertise would be able to steer our team to victory. A coaching session from you would guarantee a successful future for the Wilton Wildcats this season.

The Wilton Wildcats' track record has taken some unjustified hits over the past few seasons. Despite the huge effort of the team, goals are simply not being scored. With your irrefutable reputation and skills as a superstar striker, you are the missing piece of the puzzle that the Wilton Wildcats need to improve their game. A simple opportunity for guidance from you could be the difference between league success or failure. Could you generously provide just one coaching session to open up years of footballing opportunities?

Additionally, the prodigies of Wilton Wildcats are a dedicated and enthusiastic group of sportspeople. They train every Thursday night, come rain or shine. Shouldn't their dedication be rewarded with success? If you join us for a training session at your convenience, I am certain that your experience with us would be fun and enjoyable for you and any colleagues you bring along.

Ultimately, the future success of the Wilton Wildcats lies in your hands. With just one visit from you, morale can be boosted, skills can be learnt and league victory could be achieved. I'm positive that you'll see the merit in this opportunity.

Yours sincerely,

Georgia Russell
