

## DADDY BIGFOOT

I leave the biggest footprints  
When I'm walking in the sand.  
But you should see my daddy's,  
They're the biggest in the land!

## JUST SITTING

Sometimes it's nice to stop and sit  
And look around a little bit.  
To take a rest beneath the sky  
And simply watch the world go by.

**ROAR!**

Roar, roar, roar, roar!

I'm a roaring dinosaur!

I may be shy, I may be small,  
But I'm the roariest of all.

**RRROOOAAOOORRR!**

## BE A MOUSE

Be a mouse  
And walk on tiptoe,  
Ever so quiet  
With not one sound.

Sssh, sssh,  
Creep around,  
Ever so quiet  
With not one sound.

Be a dinosaur,  
Big and noisy!  
Stamp your feet  
And stomp around!

Stomp! Stomp!  
Stomp around!  
Stamp your feet  
And stomp around!

# GOODNIGHT

Dinosaurs get tired too.  
Of that there is no doubt.  
All that stomping and that roaring  
Is enough to wear them out.  
Can you see them sleeping?  
Can you hear their snores?  
See you in the morning.  
Goodnight, dinosaurs.

## HIDE AND SEEK

Where are you hiding?  
Where can you be?  
Deep in a hole?  
High in a tree?  
Are you near  
Or are you far?  
I'm looking, I'm looking –  
And there you are!

# DINOSAUR DIVE

One, two,  
Three, four, five,  
Five fat dinosaurs  
Take a dive –

S p l a s h

Six, seven,  
Eight, nine, ten,  
Time to fill the swamp again!
