Mathematics (including times tables)	I can find less by taking away 1, 10 and 100.	<ol style="list-style-type: none">1. Look at the subtraction number sentences. Tell an adult which number has changed for each and why.2. Find 1, 10 and 100 less on the worksheet.3. Have a go at the challenge. Say whether the statements are true or false. You must work each statement out to help you decide.
English	I can use a range of sentence starters	<ol style="list-style-type: none">1. Write the date and I can in your book.2. Read the first page3. Read the first example and how this sentence has been improved (underneath the first sentence)4. Now read the next example and how choosing specific language has improved this sentence.5. Now read the last example and how a fronted adverbial was used to improve the sentence. Watch the video to remind yourself what a fronted adverbial is: https://www.bbc.co.uk/bitesize/topics/zwwp8mn/articles/zp937p36. Read the four different ways you could improve your work and then choose at least 3 sentences from your work yesterday and improve

		them (by rewriting them using the different techniques mentioned)
Science	I can understand the life cycle of a bee	<ol style="list-style-type: none"> 1. Go through the powerpoint about the life cycle of a bee. 2. Draw the lifecycle in your exercised book – remember it starts with an egg, then larvae, then a pupa and finally an adult bee. 3. Either print out the picture of the bee or draw it in your book and label its body parts. 4. Send your work to your teacher.
Fun corner		Use some of the leaves you've found on your Science walks to make a piece of Art or do some leaf printing.
